O Najib! By Allowing the Enemy of Allah (swt) to Enter Malaysia, the World Will Come to Know Your True Colour

For the first time in history, Malaysia allowed an official representative of "Israel" to enter the country. The diplomat of the illegal Jewish entity, David Roet, set his foot in Malaysia to attend the 9th World Urban Forum (WUF9) convened by the United Nations Human Settlements Program (UN-Habitat) and he was not alone; he was accompanied by a former Minister, Ofir Pine and other senior officials of the illegal Jewish entity. He proudly uploaded his messages and pictures taken in Kuala Lumpur to his Twitter together with a photo of his "Israel" passport and his boarding pass into Malaysia, signalling his legal entry into Malaysia as an "Israeli". Messages on his Twitter are not only a hard slap right on the face of the Malaysian government, but also the faces of all Malaysians! Unfortunately, the thick-faced Malaysian government does not feel the blow of this Jew!

Without shame, the Jewish diplomat stated on his Twitter that he has great hopes for good relations between the two countries in the future, adding that he had found "...many similarities between Israelis and Malaysians. A multifaceted society of people from different backgrounds working together for a better future." What kind of similarities are you talking about O Jew? Know that we Muslims shall never be similar to you! You have killed the Prophets and altered the Books that Allah (swt) sent down to you and you defy Allah (swt); You take our lands, oust our brothers from their homes, kill our brothers in front of our eyes and announce your crystal-clear hostility towards Islam and Muslims! With all your evil-doings to Allah (swt), His Messengers and the Believers, you are saying that you have similarities with us and hope for good relations with us!? On top of that, you have no shame to come here to discuss issues concerning human settlement and urbanisation, after you had seized our Baitul Maqdis, usurped Muslims lands, and taken almost all of our blessed land of Palestine? Really, you are a shameless nation!

To the Prime Minister of Malaysia in particular, and the Malaysian government in general, whose rhetorics to liberate Baitul Maqdis from Jewish hands reverberated all over the nation, take note that today, not only all Malaysians, but Muslims all over the world have come to know your true colour. You have allowed the Jews, the transgressors of the blessed land, to set their feet here. You are not only allowing, but also providing a high-class service to delegates from the murderous state to be here for a week. Do you not have a slight of dignity or sensitivity? There is a report stating that Malaysia is "bound" to grant visas to the Jewish diplomats as they are the envoy of the UN. Truly, how weak are you before the Kufir organisation and before the Disbelievers! Where is the "sovereign state" that you have been talking about all this while, when you are not even able to stop one enemy of Allah (swt) from stepping into this country!?! Here is the case where you allowed yourself to bow to the international body and international law, which makes you submissive to the Disbelievers, a matter truly prohibited by Allah (swt). For so long as you are subject to the United Nations, the Jewish murderers are apparently free to come in and out of Malaysia while waving the UN ticket, the very body that gave birth to their illegitimate state. Is this what you wish for?

Whatever the case is, we are not surprised even slightly, with the visas that you had granted to the enemies of Allah (swt) to enter this country. This is because you had previously invited and provided an ultra-royal service to other enemies of Allah (swt), Barack Obama and other US government representatives, who are the best friends and vehement supporters of the illegal Jewish entity. Hizb ut Tahrir hereby wishes to remind you that your submission to Kufir international bodies and their laws, and also your permission to any enemy of Allah (swt) to set foot on this land will surely invite His wrath upon you and with His anger, you will not be safe from His severe punishment in the hereafter. Instead of declaring jihad to the enemies of Allah (swt), you receive them into this country with submission. So, take heed O those who are in power, before your power and life are taken away by Him!
