## Which Honored Brigade of the Pakistan Army Will Earn the Pleasure of Allah (swt) By Being the First to Smash the Jaw of the Indian General Who Celebrates Peace on the Line of Control?

The Indian occupation of Kashmir is celebrating peace on the Line of Control (LoC), whilst Pakistan's armed forces await a General like Muhammad bin Qasim to lead them in breaking the jaws of today's Raja Dahir. On 2<sup>nd</sup> May, the Indian Lieutenant-General, D.P. Pandey, boasted, "No major infiltration was reported from across, along the LoC this year." The Indian occupation even boasts that peace at Line of Control was due to its own capabilities, when it is the result of Pakistan's pro-Indian political and military leadership restraining Pakistan's armed forces. General Pandey further boasted, "A robust counter-infiltration grid has been put in place by the Army on the LoC."

**O Muslims of Pakistan!** Indeed, it is Pakistan's pro-Indian political and military leadership that choked the mujahideen of all support, whilst restraining Pakistan's armed forces in the face of relentless Indian provocation, after Modi slapped them in the face by forcibly annexing Occupied Kashmir in August 2019. Moreover, this spineless restraint was after Modi's troops were stricken by fear when Pakistan's armed forces made a controlled strike against them in February 2019, in response to the Balakot incursion. Yet, establishing the policy of restraint on 18<sup>th</sup> September 2019, Imran Khan declared, "If someone from Pakistan goes to India and he thinks he will fight in Kashmir ... He will have acted as an enemy of the Kashmiris." Then, emphasizing the policy of restraint on 18<sup>th</sup> March 2021, General Bajwa stated, "Kashmir dispute is obviously at the head of this problem... we feel that it is time to bury the past and move forward." Reaffirming the policy of restraint on 12<sup>th</sup> April 2022, the intimate (yaar) of Modi, Shehbaz Sharif, tweeted in response to congratulations from the Butcher of Gujrat, "Pakistan desires peaceful and co-operative ties with India."

**O Muslims of Pakistan's Armed Forces!** Pakistan's pro-Indian political and military leadership has restrained you from mobilizing for liberation of Occupied Kashmir. This incompetent leadership has granted India a victory over you that its cowardly, demoralized and bitterly divided troops could never have achieved. Indeed, peace and prosperity can never arise by surrendering Muslim Lands to idol-worshipping tyrants. Abandoning Jihad and strengthening the Mushrik leadership of India, through policy of restraint, has resulted in the Hindu mushrikeen extending their circle of tyranny to Muslims in India living under their authority. The Hindu leadership's anti-Muslim policies in India are a direct result of Pakistan's political and military leadership abandoning the Muslims of the region, refusing to take responsibility for their protection. Indeed, peace and prosperity will only arise after you have irrigated the soil of Occupied Kashmir with your pure blood for the pleasure of Allah (swt), having sent Indian troops into the blazing pits of Hellfire. Earn the pleasure of Allah (swt) and avert the visitation of His wrath upon you by uprooting the Mir Sadiqs of today, extending your Nussrah to Hizb ut Tahrir for the immediate re-establishment of the Khilafah (Caliphate) on the Method of Prophethood. It is only then that a Khaleefah Rashid will lead you in raising the takbeers of victory in a liberated Srinagar, having struck a huge blow against the unsteady Hindu grip, over what was Islamic India for centuries and will be again after the Conquest of Hind. Allah (swt) said, ﴿قَاتِلُوهُمْ يُعَذِّبُهُمُ اللَّهُ﴾

“Fight them. Allah (swt) will punish them at your hands, and humiliate them, and help you against them, and heal the hearts of a believing people.” [TMQ Surah At-Tawbah 9: 14].
