

Press Release

**Let the Civilian-Military Leadership Be Warned.
 Recognizing the Existence of the Jewish Entity is a
 Betrayal of Allah (swt), His Messenger (saw) and the
 Muslims. Such Rulers are Criminals and Deserve Severe
 Punishment in Both this World and the Hereafter!**

On 22 September 2023, the Foreign Minister of the Jewish entity, Eli Cohen said in a statement that “six or seven” Muslim countries are also willing to sign peace agreements with the Jewish entity, following Saudi Arabia's possible inclusion in the “Abraham Accords.” “Peace with Saudi Arabia means peace with the greater Muslim world,” he asserted. Pakistan’s Foreign Minister, Jalil Abbas Jilani, in a tweet, called for an independent Palestinian state based, on the pre-1967 borders, whilst talking about a two-state solution. This is exactly in line with the US plan, though he claimed it was in our “national interest.” On 22 September, 2023, a high-level military delegation from Saudi Arabia met with General Asim Munir to discuss “important regional and international issues of mutual interest.” So, it is clear that the scope of the “Abraham Accords,” in which the United Arab Emirates and Bahrain originally recognized the Jewish entity, is being expanded. The players for the next treacherous episode, of recognizing the illegitimate Jewish occupation of Palestine, are the rulers of Saudi and other Muslim countries.

We warn the military and political rulers of Pakistan to desist from any such attempt, or the people of Pakistan will hold them accountable. The Muslims of Pakistan are well aware of the many crimes committed under the cover of “national interest.” The country was carved into two parts in the name of national interest. Our armed forces were burned as fuel for the American war. Kashmir was surrendered under the threat of FATF. Now justifications for the betrayal of the land of Isra'a and Miraj will be made, using the same “national interest.” This foul trade is in exchange for a possible investment of 70 to 100 billion dollars from Saudi Arabia, United Arab Emirates, Kuwait and Qatar.

There is only one solution to the issue of Palestine. It is to annihilate the Jewish entity. Each of the armed forces of many Muslim countries, including Pakistan, Turkey, Iran, Egypt and Jordan, are capable of doing so. This is the only correct Shariah solution. The two-state solution plan is an American plan. Two states mean recognizing the illegal occupation of the Jewish entity on the blessed land of Isra'a and Miraj. This is even though this land and its surroundings have been blessed by

Allah ﷻ. No non-Muslim power has any right over it. Thus, the Muslims in Pakistan reject the pre-1967 border-based solution, because it recognizes the occupation of part of Palestine by a Jewish entity. As long as there was a Khilafah (Caliphate), the Jews could not occupy even an inch of Palestine. Even in the weakest days of the Ottoman Khilafah, the Khaleefah Abdul Hameed II was not tolerant of giving even a portion of the land of Isra'a and Miraj to the Jews, for any worldly benefit. This land was the liberated with the blood of the Companions (ra) of the Messenger of Allah ﷺ. However, after the emergence of dictatorships, kingships and democracies in the Muslim World, our first Qibla has been subjugated to a cheap trade.

We call upon the sons of Salah ud Din Al-Ayyubi in the armed forces of Pakistan to follow the footsteps of Salah ud Din Al-Ayyubi. They must liberate the blessed land of Palestine from the evil occupation of the kuffar. Moreover, Salah ud Din Al-Ayyubi first unified the Muslims to achieve this goal. So, they must also unify the Muslim World by providing their Nussrah to Hizb ut Tahrir for the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood. We do not even need the armed forces of "six or seven" Muslim countries. Just one is more than enough to annihilate the Jewish occupation. The need of the time is that the Muslim armed forces are led by a sincere Khaleefah, who mobilizes our willing troops for Jihad in the Way of Allah (swt).

O Armed Forces of Pakistan! It is not an acceptable excuse, before Allah (swt), that you are ready for Jihad, but your leadership and rulers prevented you. It is your Shariah duty to remove every obstacle in the way of implementation of Allah's Shariah and carry out Jihad in the Way of Allah (swt). So come forth and grant your Nussrah, strength and power, to overthrow the rulers of the Muslim World and re-establish the Khilafah (Caliphate) on the method of Prophethood. Allah (swt) says, ﴿لَا تَنْفَرُوا يُعَذِّبُكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَىٰ كُلِّ شَيْءٍ قَدِيرٌ﴾ **"If you do not march forth, He (swt) will afflict you with a painful torment and replace you with other people. You are not harming Him in the least. And Allah (swt) is Most Capable of everything."** [TMQ Surah At-Tawbah 9:39].
