

Press Release

Instead of Raining Missiles on Tel Aviv for the Liberation of the Blessed Land of Palestine, Muslim Armed Forces are Firing Missiles at Each Other's Territories Because of the Misguidance of the Nation State

After Iran's drone and missile attack on Pakistan's Panjgur district, Pakistan also carried out strikes in Iran's Sistan region. The reciprocal strikes confirm that the misguidance of the nation-state concept is the real reason for the division, and resulting weakness, of Muslim power. So, Iran struck Syria, Iraq and Pakistan after the martyring of Muslims in the Iranian city of Kirman, and then Pakistan struck Iran. However, the martyrdom of 24,000 Muslims in Gaza and the West Bank is not enough to mobilize the believing Iranian and Pakistani troops to liberate all of the Blessed Land and Al-Masjid Al-Aqsa. It is indeed misguidance to give more value to the territories of a nation state, on the basis of nationalism, than the sanctities of Islam, on the basis of the commands of Allah (swt) and His Messenger (saw).

Within hours of the killing of children of Sabz Koh, and Panjgur, in the province of Balochistan, Pakistan expelled Iran's ambassador. Pakistan's armed forces were put on red alert and mobilized for the "Marg Bar Sarmachar" (Death to Insurgents) operation. Previously, in February 2019, in response to the airstrikes of the Hindu State on Balakot, Pakistan's armed forces were mobilized within hours, and responded with a powerful, jaw-breaking response. However, the Zionist Jews have destroyed Gaza, whilst committing crimes that even beasts in the jungle would shy from. Yet, 100 days have passed and the military leadership has not responded to the cries of the Muslims of Gaza, with a "Death to the Zionist Occupation" operation. There is no relief for Muslims without burying the evil of this nation-state. It is the nation state concept that will be buried only with the establishment of Khilafah (Caliphate) on the Method of the Prophethood.

The attacks confirmed that the pleas regarding weakening the economy, Pakistan's "complex internal security and political problems" and fears of international sanctions are all just pathetic excuses. The desecration of the idol of the nation state is not acceptable, except when the master America violates nation state red-lines. Washington itself is the security qibla of our political and military leadership. However, outside the desecration of this idol, neither a shot is fired, nor diplomatic relations are severed by expelling the ambassador. Nothing is done if the Revealed Book of the Lord of the Universe, the Noble Quran, is burnt, or there is an attempt to violate the sanctity of our beloved Messenger of Allah (saw), or if Muslims are martyred in city after city, for months, or even years.

Similarly, the missile strikes have also confirmed that our military strength, our military capability and the readiness of our forces is powerful. The Islamic Ummah is fully capable of dealing with any real enemy, whether it is the entity of the Jews, the Hindu State or America. Our real problem is the full support of the military and political leaderships of Muslims that is extended to the corrupt, unjust Western world order. The leaderships of Muslims are only willing to take actions that the US-led world order allow. So, without overthrowing these leaderships, we can never protect the sanctities of Islam and Muslims, and we can never secure real independence.

O Pakistan's Armed forces! Your reputation has been tarnished in the eyes of the Muslims. Crying like women in their homes at the painful scenes of Gaza, has undermined your standing in the eyes of your enemies. The Islamic Ummah, including the Muslims of Pakistan, have every right to ask you, “where is your bravery, honor and Islamic spirit”? Neither Allah (swt) nor the believers accept your excuse that “we did not receive an order.” Do not let your obedience of the treacherous agents of America lead you to being burnt in hellfire alongside them. Allah (swt) said, ﴿مُحَمَّدٌ رَسُولُ اللَّهِ وَالَّذِينَ مَعَهُ أَشِدَّاءُ عَلَى الْكُفَّارِ رُحَمَاءُ بَيْنَهُمْ﴾ **“Muhammad is the Messenger of Allah. And those with him are firm with the disbelievers and compassionate with one another.”** [TMQ Surah Al-Fath 48:29]. However, the leadership of Muslims is soft as silk with the kuffar, but speaks to Muslims in the language of fire and gunpowder. Islam obliges you to wage Jihad in the Path of Allah (swt) to liberate the occupied lands, so remove the traitors that stand in your way.

Islam obliges you to remove rulers that are servants to the enemies. It obliges you to establish a sincere Islamic leadership that rules us by all that Allah (swt) has revealed. So, grant your Nussrah to Hizb ut Tahrir, under its Ameer, the eminent Alim and statesman, Sheikh Ata Bin Khalil Abu Al-Rashtah, for the establishment of the Khilafah (Caliphate) on the Method of Prophethood. It is only then that you will have a leadership that mobilizes you for victory or martyrdom, until you open the doors of a liberated Al-Masjid Al-Aqsa by your own hands, whilst raising loud Takbeeraat. Allah (swt) said, ﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ﴾ **“On that day will the believers rejoice.”** [TMQ Surah Ar-Rum 30:4].
