

Press Release

The Lowly Ruwaibadah Rulers, Politicians and Military Commanders Are Devoid of Resolve, Chivalry and Manliness

On 31 January 2024, General Syed Asim Munir, NI (M), Chief of Army Staff (COAS) presided over the 262nd Corps Commanders' Conference (CCC) held at General Headquarters (GHQ), as reported by the media wing of the army, in its press release No PR-26/2024-ISPR. It reported that, "The forum reiterated unequivocal support for Palestine and the people of Gaza while noting the extremely negative fallout of the conflict and the potential to spill over in the wider region. The immediate need for a permanent ceasefire and enduring solution to the Palestinian question was unanimously recognised. In the same vein, Pakistan's resolve to support the people of IIOJK (Indian Illegally Occupied Jammu and Kashmir) for their right of self-determination was reiterated. Pakistan would continue to morally, politically and diplomatically support Kashmir brothers and sisters till justice is served in accordance with relevant UNSC resolutions." In the same context, and in stark contrast, the Muslims of Pakistan are vehemently rejecting the "Israeli" bombing and siege imposed on the Gaza Strip and the West Bank, whilst demanding that the Pakistan Army mobilizes in support of Gaza.

The military conference was held after four months of the Jews' continuous bombing of the Gaza Strip, the most densely populated region in the world. It was held whilst the Jews shower it with various American weapons and ammunition, with the mobilization of missile launchers, planes, and warships. The war has left tens of thousands of martyrs, and many more times that number of wounded. It has led the displacement of most of the people of Gaza into the open skies. The Jews have spread out on the ground, and are filling the sky with warplanes. The conference military was held after the voices of the bereaved have become hoarse through calling upon the leaders and armies, until they fell silent. Yet, after all of this, the military leadership of the sixth largest army in the world are still insisting on their humiliating stance. They are neither being victorious nor even seeking victory. They are emphasizing their neglect and their alignment with the Zionist enemy and its backers, by repeatedly promoting the American conspiracy called "the two-state solution." They are truly devoid of any principles, any chivalry, or anything of the resolve of Islam. The Prophet (saw) said, «مَا مِنْ أَمْرٍ يَخْذُلُ مُسْلِمًا فِي مَوْطِنٍ يَنْتَقِصُ فِيهِ مِنْ عَرْضِهِ وَيُنْتَهِكُ فِيهِ مِنْ حُرْمَتِهِ إِلَّا خَذَلَهُ اللَّهُ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ، وَمَا مِنْ أَحَدٍ يَنْصُرُ مُسْلِمًا فِي مَوْطِنٍ يَنْتَقِصُ فِيهِ مِنْ عَرْضِهِ وَيُنْتَهِكُ فِيهِ مِنْ حُرْمَتِهِ، إِلَّا نَصَرَهُ اللَّهُ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ» **Any Muslim who will abandons a Muslim, who is confronted with a situation wherein his honour is being violated, Allah (swt) will abandon him, in a situation when he will be in need of His help. Any Muslim who will come to the support of a Muslim in a situation wherein his honour is being violated, Allah (swt) will support him in a situation when he will be in need of His help.** [At-Tabarani]

These military commanders and politicians do not have it in them to represent the best of Ummah brought forwards for humanity. They are devoid of the competence need to confront the monstrous Jewish entity, which on 7 October proved, beyond any shadow of a doubt, its own fragility, confirming that it is only a paper tiger. Indeed, these commanders are lowly Ruwaybidah rulers, who cannot understand that the Ummah has sufficient power to overwhelm Jews, and those who supported them in their occupation. They cannot see "solutions" on the horizon, beyond those presented by their colonialist masters. This is even after it has been

proven to every sane person that the colonialists are the enemy itself. It has been proven with certainty that the United States, along with the international institutions, the United Nations, its Security Council, and the International Court of Justice, which is presided over by an American judge, Joan E. Donoghue, are all institutions that are biased towards kufr and its people, including the Jews. They have not supported any Islamic cause since their establishment. However, the rulers insist on continuing to appeal to them, not out of their hope that these institutions will bring triumph for Muslims in their causes, but instead to mislead the people and absolve themselves of their responsibility. Also, these military commanders do not even consider themselves competent to truly lead an army that will emerge victorious, in securing the sanctities of Islam and Muslims. They know well their inability to do so, because it is not the purpose for which they were appointed. They are agents of the West, appointed to implement its orders, projects, and conspiracies against Islam and Muslims. They have no authority or decision-making capacity regarding matters that deviate from the dictates of the West, and this purpose. They cannot ever benefit or save the Islamic Ummah.

O Sincere Soldiers and Officers of the Pakistani Armed Forces! Do you not have hearts with which you understand, eyes with which you see, and ears with which you hear? Do you not see the rivers of blood, flowing from the Muslims in Gaza? Do you not see the spread of massacres to villages, cities and highways? Do you not see the demolition of homes, the bombing of hospitals, and the prevention of ambulances from transporting the wounded, or even abandoning them until they are martyred? Do you not see that the brutality of the monstrous Jewish entity has inflicted upon humans, stones and trees? Jewish tyranny has extended to Gaza and the West Bank, and even to Palestine occupied in 1948, so what are you waiting for? You undoubtedly see and hear all that is going on, and all that is happening. Is there not among you a rational man, who leads the Muslim soldiers and supports Islam and the Muslims, by eliminating the Jewish entity occupying Palestine, and returning all of Palestine to the abodes of Islam? If the tyrants of rulers were to object to him, he will drive them away from behind. Whoever waits for the order of the rulers is just like the one who stretches out their hands to water, asking it to reach their mouths, but it can never do so. Moreover, more than that, he is like one who waits for the camel to enter the eye of the needle. The rulers are following the orders of the kafir colonialist countries that established the Jewish state and surrendered the Blessed Land of Palestine to it. There is no hope of good from them. There is no hope of Jihad from them.

You must give Nussrah to Hizb ut Tahrir to establish the Khilafah (Caliphate) on the Method of the Prophethood. You must pledge the Bayah allegiance to the Khaleefah who will lead you to achieve victory over the Jews and those who are allied to them, so that one of the two good deeds, victory or martyrdom, may be recorded for you. Is there not a rational man among you, who leads the army of Pakistan, such that the rest of the armies follow him, glorifying Allah (swt), with the Ummah following them, glorifying Allah (swt) upon victory. Allah (swt) said, **﴿إِنَّا نَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾** **“We certainly help Our messengers and the believers, both in this worldly life and on the Day the witnesses will stand forth for testimony.”** [TMQ Surah Al-Ghafir 40:51]? Enough is enough, O soldiers! There is no excuse left for the one seeking excuses. There is no argument for the one who argues Even your rage and anger against your enemy will not intercede for you, if you do not take action. Instead, you must do what Allah (swt), the Almighty, the All-Wise, has commanded you to do. Allah (swt) said, **﴿قَاتِلُوهُمْ يُعَذِّبُهُمُ اللَّهُ بِأَيْدِيكُمْ وَيُخْزِهِمْ وَيَنْصَرِّكُمْ عَلَيْهِمْ وَيَشْفِ صُدُورَ قَوْمٍ مُؤْمِنِينَ﴾** **“So fight them and Allah will punish them at your hands, put them to shame, help you overcome them, and soothe the hearts of the believers.”** [TMQ Surah At-Tawbah 9:14].
