Pakistan's Political and Military Leadership Declares Allegiance to Trump and his Colonialist World Order

On 4 March 2025, US President Trump said in his speech to a joint session of Congress, "Tonight, I am pleased to announce that we have just apprehended the top terrorist responsible for that atrocity (the 2021 Abbey Gate bombing at Kabul Airport), and he is right now on his way here to face the swift sword of American justice," He also thanked Pakistan for its assistance. The Prime Minister of Pakistan announced in his tweet within hours, "We thank US President Donald Trump for acknowledging and appreciating Pakistan's role and support in counterterrorism efforts in Afghanistan... We will continue to partner closely with in securing regional peace and security."

Rejoicing in praise from the mouth of a Shaytan confirms the evil of the Pakistan's leadership and its slavery to American colonialism. By declaring allegiance to Trump and the American order, the rulers of Pakistan want to continue their old trade, in which they exploit our armed forces as mercenaries in a war to secure colonialist interests and their own crooked thrones, whilst announcing their readiness and indispensability, repeatedly!

Trump's foreign policy in the Muslim World is based on the same three principles as previous American governments: colonialist plunder, the continuation of the Jewish entity, and war on Islam. Trump has intensified this policy with his blustering threats, as soon as he came to power, in return for which he does not even convince his agents or bribe them. Instead, Trump wants them to work through the force of his intimidation. Trump recently stopped aid to the Palestinian Authority, pressurized Jordan and Egypt to find a solution to the Gaza problem, and demanded other Muslim countries to bear the cost of displacement and investment in Gaza. He asked Saudi Arabia to invest one trillion dollars in the United States for a visit by Trump.

Using our armed forces to please the Pharaoh of Washington is an insult to our military officers, who recite the Kalimah of tawhid and prostrate before one Lord. This leadership is a source of humiliation, surrender and defeat for the armed forces and people of Pakistan. We do not deserve this leadership. It is time to change this leadership, and establish the Khilafah Rashidah (rightly-guided Caliphate).

O Pakistan Armed Forces! The current actions of the Trump administration in the Muslim World are not a manifestation of its strength. It is a manifestation of its weakness. It is a manifestation of the failure of its previous plans, in which it promoted sectarianism to increase Iranian influence, and strengthen its control over the region. However, now America has increased its dependence on the weak Jewish entity, which cannot stand even in the face of a single military division of sincere Muslim officers. America is internally divided, while its world order has been torn apart by Trump himself.

It is a golden opportunity for the Islamic Ummah to rise to ensure liberation (tahrir) from American colonialism and the establishment of the Khilafah (Caliphate) on the Method of Prophethood, as the most powerful state in the world. All that depends on your actions. For the Pleasure of Allah (swt) in this Blessed Month of Ramadan, you must uproot this leadership, and grant Nussrah to the sincere and aware leadership of Hizb ut Tahrir for the establishment of the Khilafah, which will give a befitting reply to the agendas of Trump, Starmer, Macron, Putin and Xi Jinping. Mobilize to establish the Khilafah, indeed, its establishment is closer than you think. Allah (swt) said, ﴿إِنَّهُمْ يَرَوْنَهُ بَعِيدًا * وَنَرَاهُ قَرِيبًا﴾ "Verily they see it is far off, while We see it is near at hand."

[TMQ Surah Al-Maarij, 6-7].
