Between Makkah and Islamabad: The Betrayal by Political Leaders and Military Commanders and the Opportunity to Establish a Khilafah (Caliphate) on the Method of Prophethood

On Saturday, April 11, 2026, the Saudi Ministry of Defense stated that Pakistan had “sent fighter planes and other military forces to the Kingdom to bolster security under the joint defense agreement signed between the two countries, coinciding with Islamabad's hosting of talks between the US and Iran.” Pakistan deployed 13,000 troops and F-16 fighter planes. On the same day, Saudi Finance Minister Mohammed al-Jadaan traveled to Islamabad and confirmed a \$5 billion Saudi-Qatari financial aid package for Pakistan.

After long hours spent by the political leaders and military commanders of Pakistan striving to secure a victory for the US-led coalition, a victory that the US had failed to achieve on the battlefield, the meeting, between the leaders of that coalition and the Iranian negotiating team, was arranged in Islamabad. After the failure of those followers to achieve victory for their masters on the negotiation table, they sent the Muslim armed forces, who should fight the enemy in Jihad, to assist America on its front to achieve that victory militarily, and by force, through the sacrifice of the blood of Muslim fighters, who are thrown into fighting their Muslim brothers on the other side, the descendants of the two imams, Muslim and Bukhari, under pretexts that no child, even a weaned one, would believe.

What kind of mutual defense agreement are they talking about?! Was the mutual defense agreement meant to defend American interests in the region, as well as its agents, the House of Saud, even if it meant standing on the skulls of Muslims in any Muslim country?! Doesn't the Hijaz itself need to be cleansed of the House of Saud, America's agents, who opened the country wide to the crusading American forces, allowing them to establish military bases from which they launch attacks and bombs against our people in the lands of Muslim and Bukhari?! Weren't the House of Saud the ones who stabbed the Uthmani Khilafah (Ottoman Caliphate) in the back, and brought it down in coordination with the head of the snake, Britain?! Is defending these people an honor to be proud of, or a disgrace and shame that disgraces its bearer?!

O Muslims in Pakistan and the Sincere in Their Armed Forces! Your political leaders and military commanders have transformed your Muslim army from one founded on Islam, and the love of Jihad, into a mercenary force, fighting alongside the Crusaders against their fellow Muslims, for a pittance of dirty money. They have reached a point that no believer in Allah (swt), whether from the general Muslim population or the soldiers of the armies, can remain silent about, for even a moment. Since Pakistan Army

can move and deploy across seas and deserts, why doesn't it continue its journey to the Blessed Land of Palestine, liberate Al-Masjid Al-Aqsa, the Destination of the Night Journey (Al-Israa'), and atone for its sinful failure to protect them for over two years? Do you really think that the monstrous Jewish entity needs more than thirteen thousand mujahideen officers and soldiers of Pakistan Army to liberate it, when a handful of resistance fighters in Palestine, possessing less than a small fraction of the weaponry that nuclear-armed Pakistan possesses, have proven so difficult to defeat? This is the treachery of your political rulers and the weakness of your military commanders. Do not participate in this treachery and weakness, for you know the Words of Allah (swt), Who said, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَخُونُوا اللَّهَ وَالرَّسُولَ وَتَخُونُوا أَمَانَاتِكُمْ وَأَنْتُمْ تَعْلَمُونَ﴾ **“O you who have believed, do not betray Allah and the Messenger or betray your trusts while you know [the consequences.]”** [TMQ Surah Al-Anfal: 27].

O the Sincere in Pakistan Army! If you had a military commander like Muhammad ibn al-Qasim or Salahudin, he would have used your thirteen thousand men to liberate the land of the Two Sacred Harams from the defilement of the House of Saud, and to cleanse the land of the Prophethood from American bases and ships. He would have given his military support (nussrah) to Hizb ut Tahrir to declare the establishment of the Khilafah (Caliphate) on the Method of Prophethood, on the land of the Two Sacred Harams. He would have offered the people of Khorasan the option of submission and unity with the Khilafah, which would deliver them from their current state of mutual aggression. The Khaleefah (Caliph) would have unified the Hijaz, Khorasan, and Pakistan in a single day, and thus a major independent world power would have been born in the blink of an eye. So, rise up, you sincere in Pakistan Army, both in Rawalpindi and the land of the Hijaz, and overthrow the thrones of the traitors in both countries. Give your support to the true leader who represents you and your military and intellectual Aqeedah. Know that this is a golden opportunity to liberate yourselves from Western subservience and to free yourselves and your Ummah under the state of glory and victory, the Khilafah on the Method of Prophethood, which your noble Messenger (saw) foretold. So beware lest you miss this opportunity and regret it when regret is of no use. Allah (swt) said, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ أَنْتُمْ إِلَى الْأَرْضِ، أَرْضَيْتُمْ﴾ **“O you who have believed, what is the matter with you that, when you are told to go forth in the Path of Allah, you cling heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a little?”** [TMQ Surah At-Tawbah: 38].
