## Instituting of Special Investigating Team for Pathankot Incident On American Orders, the Raheel-Nawaz Regime Lies Down in Submission to India

On 13<sup>th</sup> January 2016, a meeting regarding national security was held. It was chaired by the Prime Minister Nawaz Sharif and attended by the Chief of Army Staff, General Raheel Sharif, and other high level civil and military personnel. This meeting was held especially to discuss progress made in the investigation based on leads provided from India. In a statement after this meeting, it was declared that the, "Government of Pakistan is considering to send a special investigation team to Pathankot, in consultation with the government of India." It further stated that, "the meeting reiterated that in line with our decision to counter and completely eliminate terrorism, Pakistan would remain engaged with India on this issue".

It is horrendous that because of traitors in the political and military leadership of Pakistan, America has achieved what she has been seeking for the last fifteen years, which is that Pakistan accepts India as the regional policeman for America and extend full cooperation to India in this regard. After 9/11, the Musharraf-Aziz regime, then the Kayani-Zardari regime and now the Raheel-Nawaz regime have all been justifying their subjugation to American slavery, by saying that by taking the side of the US, we are restricting India in the region, as we can't face a formidable enemy like India, without American help. However, in the last fifteen years, whatever strategic advantages have been discussed as a justification, Pakistan had been constantly losing and being placed in ever-greater danger, through the actions of traitors in the leadership. Instead of installing a pro-Pakistan regime in Afghanistan, an anti-Pakistan regime was installed and India was provided with the opportunity to make her footprint there. Instead of Pakistan being bailed out of billions of dollars worth of debt, it was further burdened with worsening debt. Instead of resolving the issue of Kashmir according to the wishes of Muslims, Kashmir has been placed on the back burner. If all that were not enough, now because of the traitors in the political and military leadership, nuclear Pakistan is to give in to the demands of one of the worst enemies of the Muslims, the Hindu state, to "do more." The regime has started a crackdown against her own citizens and a special investigative committee comprising of MI (Military Intelligence), ISI (Inter-Services Intelligence), IB (Intelligence Bureau) and police officials has been formed, which will visit India and suggest actions which will ensure the security of the Hindu State.

**O Muslims of Pakistan! O Pakistan's Armed forces!** Does your blood not boil when traitors in political and military leadership lie in submission before India?

**O Pakistan's Armed forces!** How can you accept that you would be assigned to fulfill the wishes and orders of your worst enemy? How can you accept that your strength will be used to strengthen your enemy? How can you accept that you must chase those who are the enemies of the Hindu state, whilst they are your Muslim brothers, instead of chasing the brutal soldiers of the Hindu State? Will the bond of Islamic brotherhood with your Muslim brothers be sacrificed to strengthen the Hindu state? Do you not wish that Allah (swt) provides you the opportunity to embrace the glad tidings of RasulAllah (saaw) that the army which will conquer India will have Paradise?

**O Muslims of Pakistan! O Pakistan Armed forces!** Whilst traitors in the political and military leadership remains on their seats and democracy is implemented, we will continuously be humiliated in front of our worst enemies. Jihad to liberate Muslim Lands has now been declared "terrorism." Jihad is the motto of Pakistan's armed forces and traitors in the political and military leadership are instead pushing them to fight the Muslims in Afghanistan and Kashmir, who are waging Jihad against the occupation of Kuffar.

**O Armed forces of Pakistan!** What is the point of waiting now? Are you waiting for a time when Indian soldiers put their feet on the Muslim Lands of Pakistan to move? You must remember that the traitors in the political and military leadership can sink to any level to please their master, America. Therefore, you have to decide now whether you want the success of this world and the Hereafter or you want disgrace in this world and the Hereafter for a few worldly luxuries. Your love for Allah (swt) and His Messenger compels you to uproot traitors in the political and military leadership, provide Nussrah to **000 000** for the establishment of Khilafah (Caliphate) on the Method of the Prophethood and then the Khaleefah will provide you the opportunity to seize the glad tidings of RasulAllah (saaw).

﴿يَا أَيُّهَا النَّبِيُّ حَرِّضَ الْمُؤْمِنِينَ عَلَى الْقِتَالِ إِنْ يَكُنْ مِنْكُمْ عِشْرُونَ صَابِرُونَ يَغْلِبُوا مِائَتِينَ وَإِنْ يَكُنْ مِنْكُمْ مِائَةٌ يَغْلِبُوا أَلْفًا مِّنَ الَّذِينَ كَفَرُوا بِأَنَّهُمْ قَوْمٌ لَا يَفْقَهُونَ﴾

**"O Prophet (Muhammad)! Urge the believers to fight. If there are twenty steadfast persons amongst you, they will overcome two hundred, and if there be a hundred steadfast persons they will overcome a thousand of those who disbelieve, because they (the disbelievers) are people who do not understand."**
