US Violates Pakistani Territory Again

Reject Trap of Talks to Secure Crusaders in Afghanistan, Mobilize Armed Forces to Liberate Muslim Lands

The Raheel-Nawaz regime is meekly "seeking clarification" about US boisterous claims of flagrantly violating Pakistan's territory yet again, this time to conduct a drone strike against Afghan Taliban leader Mullah Akhtar Mansour in Balochistan, according to the Foreign Office Spokesman Nafees Zakaria on 22 May 2016. The Foreign Office Spokesman stressed that Pakistan wanted the Taliban to return to the negotiating table, an American backed ploy to provide security for American troops in Afghanistan, which they were not able to achieve for themselves on the battlefield after over fifteen years of trying. Sadly, the Muslims of Pakistan are now accustomed to weak-kneed responses to US violation of Pakistan's sovereignty, since the US attacks upon Abbotabad, the Hangu Madrassa and Salala check post. This latest slap in the face of our armed forces comes only because repeated spineless responses from successive traitors in the political and military leadership have only encouraged America to further violate our territory.

Hizb ut Tahrir asks the sincere officers and soldiers in the armed forces as to how they can contain themselves after yet another blatant violation by America, whose military reputation has been brought down to earth at the hands of few thousand, poorly armed Muslim Mujahideen in Afghanistan? How can America even think of humiliating an armed forces that are seven hundred thousand strong, armed with nuclear arsenal, and driven by a desire for victory or martyrdom? In order to defend our lands, the sincere must move now to seize the necks of the traitor American agents in the political and military leadership and present them for trial before the judiciary for their treason. They must move now to close the American bases, consulates, embassy and the NATO supply line, expel American forces, intelligence and diplomats. They must move now in co-ordination with the sincere amongst the mujahideen who point their weapons at American crusaders alone, to eject the American troops from the region as the Soviet Russian and British Imperialist forces were ejected before them. All this can only occur when the armed forces give Nussrah for the establishment of Khilafah (Caliphate) on the Method of the Prophethood to Hizb ut Tahrir under the leadership of its Ameer Sheikh Ata Bin Khalil Abu Al-Rashtah. Only then will a Khaleefah Rashid move to eject America from this region, steeped in humiliation, using the combined strength of world's seventh largest armed forces and the sincere Mujahideen. With the blessed month of Ramadhan drawing close, Hizb ut Tahrir calls upon the sincere officers to grant the Nussrah now, so that Ramadhan witnesses glorious victories again as it did for centuries. Allah (swt) says,

يَا أَيُّهَا الَّذِينَ آمَنُوا هَلْ أَدُلُّكُمْ عَلَىٰ تِجَارَةٍ تُنْجِيكُمْ مِّنْ عَذَابٍ أَلِيمٍ * تُوْمِنُونَ بِاللَّهِ وَرَسُولِهِ وَتُجَاهِدُونَ فِي سَبِيلِ اللَّهِ بِأَمْوَالِكُمْ وَأَنفُسِكُمْ ذَلِكُمْ خَيْرٌ

“O You who believe! Shall I guide you to a commerce that will save you from a painful torment? That you believe in Allah and His Messenger (Muhammad saw), and that you strive hard and fight in the Cause of Allah with your wealth and your lives, that will be better for you, if you but know! (If you do so) He will forgive you your sins, and admit you into Gardens under which rivers flow, and pleasant dwelling in Gardens of 'Adn - Eternity ['Adn (Edn) Paradise] that is indeed the great success” [As-Saff: 10-12]
