

Press Release

End US Raj, Establish Khilafah

US Praises Raheel and his Treachery Against Muslims and Islam

In an interview with ARY News first broadcast on 7 July 2016, the Chairman of US Senate's Armed Services Committee, Senator John McCain, who led a delegation to Pakistan's tribal regions on 4 July 2016 said that the General Raheel is a fine leader and a man with "a good mind and good grasp over military as well as civilian matters" adding in reply to a question about an extension for Raheel by saying that he is deeply impressed by Pakistan Army Chief General Raheel Sharif's leadership skills and hopes that the general continues to lead Pakistan. The US Senator showered praise on the chief of the Muslim World's most powerful armed forces, after being taken by the military leadership to North Waziristan to provide him evidence that Pakistan is doing its best to secure the cowardly US troops in Afghanistan from the hardy resistance within the tribal regions, including the defiant Haqqani network of North Waziristan, in an awful war of Fitna, where Muslims fight Muslims and six thousand of our troops have burned as fuel for the US crusade.

And so an abused and mistrusted slave arranges for his masters' visit to the site of the crime to assert his prostrating submission and blind obedience. The US's persistent call for action against the Haqqani network, and their doubt about Pakistan's sincerity in the action not only led to the blocking of the F-16 sale, but also the drone attack on Afghan Taliban chief Mullah Mansoor, and finally this invasive delegation whose aftermath included President Obama confirming on 6 July that he regards the situation as "precarious," declaring that "Instead of going down to 5,500 troops by the end of this year, the United States will maintain approximately 8,400 troops in Afghanistan into next year through the end of my administration." Is there no limit to the abuse that the civilian and military leaders will tolerate? What will come next, an audit of all army communications to field operatives in North Waziristan indicating unambiguous plans for fighting the Haqqani network? And then, the final step will be US army officers commanding the operations! There is no limit to their subservience and groveling before Washington even though Allah (swt) said,

"What! Is he who walks groveling upon his face better guided, or he who walks upright on the straight path?" [67:22]

General Raheel has bound us to an alliance with the US, which is not only the cause of our misery and humiliation, it is Haraam and earns us the wrath of Allah (swt), for Allah (swt) said,

يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فَإِنَّهُ مِنْهُمْ إِنَّ اللَّهَ لَا

“O you who believe! Take not the Jews and the Christians as Auliya' (friends, protectors, helpers, etc.), they are but Auliya' to one another. And if any one amongst you takes them as Auliya', then surely he is one of them. Verily, Allah guides not those people who are the Zâlimûn (polytheists and wrongdoers and unjust)” [TMQ 5: 51].

Rather than urging Muslims to join the folly of an international coalition against “terrorism” as General Raheel has done repeatedly, a Khaleefah Rashid, the real strong man we need, would rally the Muslims of our armed forces and our tribal regions to decisively liberate Muslim Lands from the crusader filth. Yet, the groveling General Raheel ignores Islam's clear injunctions to fight the occupiers in order to bask in the praise of the Ummah's enemies. Like Musharraf and Kayani before him, General Raheel is possessed by the arrogance of the Firawn, thinking that his oppression will remain unchallenged by his own people, reminding them of the sanctity of his post to carry out the most despicable of crimes, and that is why he left the issue of extension ambiguous, after the interview of McCain. It is upon the sincere officers of Pakistan's armed forces to seize the tyrant by his treacherous neck by granting Nussrah now to Hizb ut Tahrir for the immediate re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood, which will end America's war to subjugate other nations and deny them the right to resist.
