Regime Secretly Proceeds to Secure "Akhand Bharat" Halt the Traitors in their Tracks as they take Tentative First Steps to Subjugate Muslims to Indian Domination

The Bajwa-Nawaz regime's tightlipped silence over the Prime Minister's meeting with an Indian government go-between is a grave warning for the Muslims. The Bajwa-Nawaz regime is taking its tentative first steps to practically realize the US plan for the region, which is Indian dominance over Pakistan, by preparing the ground for US supervised talks between the governments of Pakistan and India. This is why we notice that before the meeting, the regime's Finance Minister during his extensive visit to the US declared, "We expect the US as a common friend to facilitate, encourage the [Kashmir] issue is resolved amicably, in accordance with UN Resolutions ASAP [as soon as possible]." (Interview published in the Wall Street Journal, 26 April 2017).

The regime is cautious because it knows well the anti-Indian sentiment within the Muslims of Pakistan and our armed forces in particular. Indeed, hundreds of years of Islamic rule has established that the only time the Muslims have known peace from the Hindus is when Islamic rule was in dominance. Whenever the Hindus have had any semblance of authority, whether as the right hand men of the British in the past or the right hand men of the US today, the Muslims have suffered. So, on the one hand, under the eight centuries of Muslim rule, Hindus were granted peace, security and justice, before occupation by the British. However, on the other hand, after over a millennium of being ruled by others, as soon as the Hindus acquired a substantial authority in the form of the Hindu state, they wasted no opportunity to strike at the Muslims, whether those of Pakistan, Occupied Kashmir or within India itself. Allah (swt) warned us of the enmity of the Kuffar, **﴿إِن يَتَفَقَّهُكُمْ يُكُونُوا لَكُمْ أَعْدَاءً وَيَبْسُطُوا إِلَيْكُمْ أَيْدِيَهُمْ﴾** "Should they gain the upper hand over you, they would behave to you as enemies, and stretch forth their hands and their tongues against you with evil, and they desire that you should disbelieve." [Surah Al-Mumtahina 60:2].

O Muslims of Pakistan! Despite the reality of the Hindu State, the regime is taking its first steps on the US plan for the region, which is to raise India as the dominant regional power, as a counter to China and the Islamic revival within the region. The regime is being tightlipped and silent at the beginning, to avoid strong reaction, but will it is expected to become more brazen and bold in its steps should the Muslims not rise against it. Raise your voices with the brave Shabaab of Hizb ut Tahrir against these criminals, fearing none but Allah (swt).

O Officers of Pakistan Armed Forces! Hizb ut Tahrir Wilayah Pakistan urged you to halt the traitors at the time they made their first steps to secure the Indian and American presence in Afghanistan, through a secret meeting of General Kayani and the then US joint chiefs of staff, Admiral Mullen, on a US aircraft carrier, in the middle of the sea in August 2008. Now your blood boils and you regret that you did not act, as you see the consequences of India using Afghanistan as a base of operations against us. We ask you to act now, so that you do not regret later, bearing in mind that the consequences of the US "normalization" plan involves political, military and economic subjugation of Pakistan before the Hindu State as well as abandoning the long suffering Muslims of Occupied Kashmir to the "mercy" of the hostile Hindu State. Seize the deceitful traitors, halting them in their tracks and grant the Nussrah to Hizb ut Tahrir for the immediate re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood, so that Islam can rise to dominance as it alone is deserving to, even though the Hindu mushrikeen will dislike it.

﴿هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾

"He is the One who sent His Messenger with the Guidance and the Deen of Truth to dominate over all other ways of life, even though the mushrikeen may detest it." [Surah At-Tawba 9:33]
