End Akhand Bharat ("Greater India") Establish the Khilafah

Pakistan's Rulers Retreat before the Indian Agenda to Outlaw Khilafah on the Method of the Prophethood and Jihad against Occupying Forces

Devoid of Islam's global vision, Pakistan's rulers yet again retreated before India's agenda to outlaw the Khilafah on the Method of the Prophethood and Jihad against forces that occupying Muslim Lands. The pro-Indian Xiamen statement of 4 September by BRICS, of which India is a member state, demanded the suppression of Hizb ut Tahrir, that is undertaking political actions for the re-establishment of the Khilafah on the Method of Prophethood, as well as groups fighting the Hindu State in Occupied Kashmir and American forces in Afghanistan. In retreat before India's agenda, Pakistan's Minister for Defence, Khurram Dastgir said on 5 September weakly protested that Pakistan has no "terrorists" on its soil. And in retreat, Pakistan's Foreign Office Spokesman, Nafees Zakaria, weakly submitted to Indian criterion by stating, "Pakistan is also seriously concerned about the threat posed by terrorism and extremism in the South Asian region."

Hizb ut Tahrir Wilayah Pakistan asks the retreating Pakistani regime: Who is India to decide what is right and wrong for the Islamic Ummah or indeed any other nation? Why is the Khilafah (Caliphate) on the Method of the Prophethood to be seen as "extremism," when it secures the well being of all its citizens, whilst the bigoted Hindu State has persecuted all of its minorities? Why is Jihad against occupying forces to be seen as "terrorism," whilst India's relentless spilling of Muslim blood in Occupied Kashmir is to be seen as the sign of a "civilized" democracy? Of course the Hindu State is terrified of the prospect of the re-establishment of the Khilafah on the Method of the Prophethood, for that heralds the burial of its plan for Akhand Bharat ("Greater India"). And of course the cowardly Indian army is terrified by the Jihad of poorly armed groups, let alone a Jihad by Pakistan's armed forces under a Khaleefah Rashid.

O Muslims of Pakistan! Yes, leadership must only be given to the one who is deserving of it. However, silence and inaction before the undeserving is criminal. Do not lament that there is a "leadership vacuum," unless you move and speak to end it. Your enemies are striding in steps against you, whilst the current rulers are abandoning your rights, digging an ever deeper grave for you. It is hardly the time for silence and inaction, is it? It is the time for you to raise your voices and mobilize with the Shabab of Hizb ut Tahrir to rescue the Ummah from the growing Akhand Bharat "Greater India." And it is the time for you to contact your relatives in the armed forces, your fathers, brothers and sons, to demand that they give Nussrah to Hizb ut Tahrir for the immediate re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood, so that Islam again becomes dominant over the Hindu Mushrikeen as it was for centuries previously. Allah (swt) said,

﴿هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾

"It is He who has sent His Messenger with guidance and the religion of truth to manifest it over all religion, although they who associate others with Allah dislike it."
[Surah at-Tawba 9:33]
