US Seeks India's Help to Keep an Eye on Pakistan

**Trump's new South Asia policy is to build India as a regional
hegemon yet Pakistan's rulers rush to implement it in blind
subservience to their master**

The US Ambassador to the UN Nikki Haley in her address to the US-India Friendship Council in Washington on Tuesday 17 October 2017 said that the United States was "really going to need" India's help in stabilizing Afghanistan and in resolving the Afghan conflict. "So having them help not only with infrastructure and the aid that they can give towards rebuilding Afghanistan, (they can) also help us to keep an eye on Pakistan," Ms Haley said.

As Pakistan's rulers rushed to please Trump by receiving his administration's officials gifting them a hostage rescue operation to convince them of the loyalty of Pakistan's ruling elite and as these rulers gathered in Muscat to restart efforts to bring the Taliban to the negotiating table as demanded by Trump, one of the Trump administration officials repaid their loyalty by humiliating them publicly by expressing support for Pakistan's arch rival India to play a greater role in Afghanistan. We do not expect any change in these rulers' actions after Trump or his official's rebuke for they are unfamiliar with words like honor, dignity and respect. Infact we warn the Muslims of the lowliness of these rulers for they will rush to embrace the Hindu State and its project of "Akhund Bharat" (Greater India) for the sake of America, celebrate it, find "wisdom" behind it, and passionately chase anyone who would oppose these rulers for bowing before the Hindu State. This destructive stance is similar to the previous support of the US invasion, overthrowing the Afghan Taliban and establishing an occupation, which the US agent Musharraf also claimed was "wisdom" at the time.

For men of dignity and honor in Pakistan's ruling elite and Pakistan's Armed forces who indeed feel humiliated by such degrading and offensive treatment at the hands of America, we ask them do they not wish to stand aside and not be counted in the ranks of these treacherous rulers. We warn you not to turn a blind eye to what is visible for all to see. America is building the Hindu State as a regional hegemon and Pakistan's civil and military rulers have pledged their support to this American initiative. Know that America knows this very well and so do these rulers that the Hindu State cannot become a regional hegemon unless Pakistan is seen and is actually weakened before India. So as a deliberate policy the Hindu State violates the ceasefire agreement along the Line of Control and Working Boundary posturing itself as an aggressor and Pakistan's rulers deliberately adopt the policy of restraint to build

the image of the Hindu State as an aggressor and an hegemon. And it is no coincidence that American officials every now and then praise India, build its global and regional image and simultaneously insult and belittle Pakistan. The American policy of building India and weakening Pakistan in comparison to it is as clear as the sunlight. So we ask, how is it that those who are loyal to Muslims of Pakistan and their interests silent over such a blatantly destructive policy of the current Pakistani regime of blindly toeing the American line?

O Officers of Pakistan's Armed Forces! Right before your eyes the very fundamental and strategic interests of this country are being sacrificed for the sake of American interests in the region. Not only does America seek to use your strength to safeguard and ensure its presence in Afghanistan but it seeks to use her presence there to strengthen your arch enemy, the Hindu State. More than that America has convinced your rulers to remove Pakistan as an obstacle in India's way so that India can rise as a regional hegemon. The only option you have to stop this plan is to move now by granting Nussrah to Hizb ut Tahrir for the establishment of Khilafah State (Caliphate) on the method of Prophethood (saw). Then we will return as rulers of these lands, reintroducing Islamic rule which successfully managed the affairs of the subcontinent for centuries, expelling America back to its isolation and bringing about the end of the oppressive Hindu regime in India. So brothers! Move now for glory and might and the reward of Allah which he has promised for the Ansar of the Deen. He (swt) said:

﴿وَالسَّابِقُونَ السَّابِقُونَ مِنَ الْمُهَاجِرِينَ وَالْأَنْصَارِ وَالَّذِينَ اتَّبَعُوهُمْ بِإِحْسَانٍ رَضِيَ اللَّهُ عَنْهُمْ وَرَضُوا عَنْهُ وَأَعَدَّ لَهُمْ جَنَّاتٍ تَجْرِي تَحْتِهَا الْأَنْهَارُ خَالِدِينَ فِيهَا أَبَدًا ذَلِكَ الْفَوْزُ الْعَظِيمُ﴾

“And the first to embrace Islam of the *Muhajirun* (those who migrated from Makkah to Al-Madinah) and the *Ansar* (the citizens of Al-Madinah who helped and gave aid to the *Muhajirun*) and also those who followed them exactly (in Faith). Allah is well-pleased with them as they are well-pleased with Him. He has prepared for them Gardens under which rivers flow (Paradise), to dwell therein forever. That is the supreme success.” [At Taubah: 100]
