## Send Military Troops to Seize the Tyrant of Syria: Abandoning the Muslims of Syria to Rains of Bombs, Pakistan's Rulers Send Our Troops to Assist the Saudi King as He Wages War on Yemen

The Muslims of Syria are crying for help as the tyrant of Syria, Bashar al-Assad, rains barrel bombs upon them, not sparing masjids, hospitals or schools, shedding blood in rivers, with parents grieving as they carry the broken bodies of their children. Yet, Pakistan's rulers are deaf to the cries of the oppressed Muslims, sending our troops instead to assist the US agent, the Saudi King, who soaks his hands in the pure blood of the Muslims of Yemen, striking them from land and sky. So, Pakistan's rulers abandon the Muslims of Syria to the "international community," even though it is Russia and the United States that actively support Bashar as he fights the Muslims demanding the implementation of Islam. They abandon the Muslims to rains of bombs, even though they command hundreds of thousands of troops that are loyal to Allah (swt) and His Messenger (saw), armed with missiles that can reach the throne of Bashar and are renowned and feared throughout the world for their superior skills and exemplary bravery.

There is no hope left in these rulers, for they are deaf to the cries of the Muslims and blind to the crimes of our enemies, whether in Occupied Kashmir, Burma, Afghanistan or Syria. They care not that RasulAllah (saaw) addressed the House of Allah, the Ka'ba, proclaiming, «مَا أَطْيَبَ رِيحِكَ مَا أَعْظَمَ حُرْمَتِكَ وَالَّذِي نَفْسُ مُحَمَّدٍ بِيَدِهِ لِحُرْمَةِ الْمُؤْمِنِ أَكْبَرُ عِنْدَ اللَّهِ حُرْمَةً» «How good you are and how good your fragrance; how great you are and how great your sanctity. By the One in Whose Hand is the soul of Muhammad, the sanctity of the believer is greater before Allah than your sanctity, his blood and his wealth, and to think anything but good of him.» [Ibn Majah]. They heed not that Allah (swt) said, «وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ» «And what is wrong with you that you fight not in the Cause of Allah, and for those weak, ill-treated and oppressed among men, women, and children.» [Surah An-Nisa: 4:75.]

We have seen enough from these disobedient rulers to know that our only hope lies in directly calling those who have the capability to change our pitiful situation. It is upon us all to call upon our noble fathers, brothers and sons in the armed forces to mobilize in support of the Muslims of Syria for the pleasure of Allah (swt) and with our Duas. It is upon us all to urge them to remove the obstacles to their victory and martyrdom, the wretched rulers, by extending their Nussrah (Material Support) for the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood.
