Only the Khilafah Can Secure Peace in the Region: Reject Normalization as it is Weakening Muslims before the Hostile Hindu State

Pakistan's rulers are advancing upon the path of normalization with India, making concessions and overtures to the perpetually hostile Hindu State. The weak and compromising stance of Pakistan's rulers has even prompted the former Indian RAW Intelligence Chief, A.S. Dulat, on 21 May 2018, to ask the Indian government to invite Pakistan's Army Chief to kick-start stalled talks between the two countries. Far from securing the Muslims peace and prosperity, normalization with India will weaken them before a state that has repeatedly harmed the Muslims of Pakistan and Occupied Kashmir. As for military normalization, whilst complying the colonialist demand to exercise "restraint" before relentless Indian hostility, Pakistan's rulers maintain a crackdown against organizations fighting for the liberation of Occupied Kashmir. As for economic normalization, whilst working to open doors wide open for Indian imports, Pakistan's rulers have implemented colonialist directives to cripple our own industry and agriculture. Regarding political normalization, whilst working with the colonialists to weaken our deep attachment to Islam, Pakistan's rulers are opening the doors to Indian media and cultural influence.

Pakistan's rulers are proceeding with normalization with the hateful Hindu mushrikeen, even though Allah (swt) warned, ﴿مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ وَلَا الْمُشْرِكِينَ أَنْ يُنَزَّلَ عَلَيْكُمْ مِنْ خَيْرٍ مِنْ رَبِّكُمْ﴾ **“Neither those who followed earlier revelation who deny the truth, nor the Mushrikeen like to see good bestowed upon you from your Sustainer; but Allah bestows grace upon whom He chooses- for Allah is limitless in His great bounty.”** [Surah al-Baqara 2:105]. They are bowing before the Hindu state, even whilst its armed forces are demoralized, stretched and underfunded, with 65% of their arsenal being obsolete. They are weakening before a confirmed enemy, even though Allah (swt) said, ﴿وَلَا تَهِنُوا﴾ **“And do not weaken in pursuit of the enemy. If you should be suffering - so are they suffering as you are suffering, but you expect from Allah that which they expect not. And Allah is ever Knowing and Wise”** [An-Nisaa': 104].

For centuries, the rule of Islam ensured security and prosperity for the inhabitants of the Indian Subcontinent, liberating them from Hindu bigotry. Under Islamic ruling, the Indian Subcontinent became the envy of the world as it was a beacon of justice, wealth and harmony. And it is Islam alone today that can grant peace and prosperity for the inhabitants of the region, who are suffering immensely under man-made law. Certainly, the Muslims must firmly reject normalization with the Hindu State and work instead for the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood, so that Islam returns as the dominant way of life in the region.
