## Bajwa-Imran Regime Assists Khalilzad's Frantic Efforts to Prevent the Collapse of the American Backed Regime in Kabul

The US Special Representative for Afghanistan Reconciliation, Zalmay Khalilzad, jubilantly tweeted on 7 April 2019, "We have momentum now with Afghans working together across party & society. Men & women, young & not-so-young, all will join in intra-Afghan dialogue in Doha & eventual negotiations." This statement of relief came after Khalilzad's extensive two-day visit to Islamabad. It is clear that the Bajwa-Imran regime granted the essential facilitation for Khalilzad's desperate efforts to shore up the colonialist puppet regime in Kabul. Despite its claim to secure the "national interest," the regime's facilitation is akin to dropping a hammer on one's own foot. The facilitation prevents the collapse of the US proxy regime, before the relentless advance of the Afghan Taliban. As such the invitation from the American kuffar to enter their system of kufr in Kabul is a cunning ploy to prevent victory for Muslims and Islam.

Indeed, it is the deception of the kuffar throughout the ages to invite the Muslims into their regime, when they feel the threat of victory from Muslims. Moreover, RasulAllah (saaw) rejected all invitations from the kuffar to enter their kufr system, when they were shocked at the spread of Islam. The kuffar invited him (saaw) as a member of their assembly, Dar un-Nadhwa, and even as its head. Yet, RasulAllah (saaw) firmly rejected to arbitrate within their system of kufr, a "Taghoot" ruling by other than all that Allah (swt) has revealed, like its modern equivalent Democracy. Allah (swt) has said, ﴿الَمْ تَرَ إِلَى الَّذِينَ يَزْعُمُونَ أَنَّهُمْ آمَنُوا بِمَا نُزِّلَ إِلَيْكَ وَمَا نُزِّلَ مِن قَبْلِكَ يُرِيدُونَ أَن يُكَفِّرُوا بِنِعْمَةِ اللَّهِ وَكَانُوا كَافِرِينَ﴾ "Have you not seen those who claim to believe in what was revealed to you and what was revealed before you, they want to arbitrate to Taghut though they were ordered to disbelieve in it." [Surah An-Nisaa 4:60]

### O Muslims of Pakistan in General and their Intelligence and Ulema in Particular!

The US efforts for talks in Doha is a prelude to disaster for the Muslims of Pakistan and Afghanistan. There is no point in your warning the Bajwa-Imran regime because it has put itself in the pocket of Khalilzad and Trump, to be used and disposed of as they wish. It is upon you now to directly reach out to the Afghan Taliban and warn them of the dangerous path upon which they are being herded by the treacherous regime. Warn them of entering the Taghoot, in which lies the punishment by Allah (swt), and demand that they resume their honorable resistance with full force. It is upon you to demand that they persist on the path of Truth, depending on none but Allah (swt), controlling one city after another, and then the provinces, until they wrest control of the entire country back from the Americans. Allah (swt) said, ﴿فَلَا تَهِنُوا﴾ "Be not weary and faint-hearted, crying for peace, when you are the uppermost: for Allah is with you, and will never put you in loss for your (good) deeds." [Surah Muhammad 47:35].
