By Inviting Manmohan Singh to Kartarpur Border's Opening Ceremony, the Bajwa-Imran Regime Proves Again that Alliance with Trump and Modi is Above All Else

At a critical juncture when today's Raja Dahir has taken the Muslims of Kashmir hostage for almost two months, with India's Army Chief, General Bapan Rawat, threatening to cross the Line of Control (LoC) into Azad (Liberated) Kashmir, when almost every other day Muslim civilians and soldiers are martyred on the LoC, due to the indiscriminate firing and mortar shelling by the Indian Army, while the need of the hour is let loose our Muhammad Bin Qasim's in the armed forces so that they could liberate the oppressed Muslims of the Indian Occupied Kashmir, the Bajwa-Imran regime showed its true face by crossing every limit of treachery by inviting the ex-Indian Prime Minister, Manmohan Singh, to the opening ceremony of Kartarpur Border. The Bajwa-Imran regime is hypocritical when faced with India's relentless aggression. Disregarding the demand of the Ummah to immediately mobilize our noble Muslim army, the regime merely undertakes cosmetic actions, such as standing in solidarity for thirty minutes or acting as a news reporter "updating" the so-called "international community" with news of the horrific oppression that has been unleashed on the Muslims of Occupied Kashmir. They embark on "news casting" as if the so called champions of the "international community" themselves are not involved in similar crimes against Muslims elsewhere, or are unaware of Indian atrocities!

The regime commands a world standard nuclear stock pile and sixth largest army, which yearns for martyrdom, yet it creates new standard in their subservience to their masters Trump and Modi. Instead of any substantial action for the liberation of Muslims, the regime undertook toothless maneuvers, as if to reassure Trump and Modi that the actions are only done to pacify the angry public, domestically. The regime dilly-dallied over its announced closure of airspace to India and did nothing to close down Indian embassy operations. At the same time, the treacherous regime has started a whispering campaign to plead inaction through economic woes. Whilst the Bajwa-Imran regime hides behind poverty, across the western border, the Afghan resistance in Afghanistan, whose GDP is less than a tenth of Pakistan's, has brought it to the US to its knees, even though its GDP is over 19 trillion dollars. The subservience to Trump and Modi has not only led the regime to clearly disobey the commands of Allah (swt) and His Messenger (saaw), its weak response has become a security risk to the 'strategic national interest.' The Kashmir issue is not merely a human rights issue nor it is just about the imposed curfew, it is like a dagger plunged in the heart of the Islamic Ummah. The regime is forsaking the Akhira by upholding alliance with the Hindu mushrikeen and crusaders.

The sincere officers in Pakistan's armed forces must step forward at once to give Nussrah (Material Support) to Hizb ut Tahrir. The Khilafah (Caliphate) on the Method of Prophethood, will unleash the lions of the armed forces of Pakistan to finally rescue the Muslims. Allah (swt) has said: ﴿الَّذِينَ آمَنُوا يُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالَّذِينَ كَفَرُوا يُقَاتِلُونَ فِي سَبِيلِ الطَّاغُوتِ فَقَاتِلُوا أَوْلِيَاءَ الشَّيْطَانِ إِنَّ كَيْدَ الشَّيْطَانِ كَانَ ضَعِيفًا﴾ "Those who believe, fight in the Cause of Allâh, and those who disbelieve, fight in the cause of Tâghût (Kufr Authority). So fight you against the friends of Shaitân (Satan); Ever feeble indeed is the plot of Shaitân (Satan)." [Surah An-Nisa 4:76]
