

Press Release

The Hand of the Criminal Entity is Rampaging in Our Yemen and ash-Sham under Conspiring Regimes and the Absence of Deterrence

(Translated)

The planes of the criminal Jewish entity launched a series of aggressive raids against Yemen. During its meeting yesterday, the entity's Council of Ministers concerned with security affairs approved the attack on Yemen, as the raids targeted oil storage facilities and the electricity station in the port of Hodeidah.

The criminal Jewish entity is no longer limited in its crimes to Palestine and its people, where it practices oppression, aggression, corruption on earth, murder, and violation of sanctities. Rather, its sinful hand became longer and longer in its aggression every day, and now it reaches the Yemen of faith and wisdom, and the Jews have begun to shed the blood of Muslims as much as they want, and burn their land as they want, and then they brag, where the entity's army minister says the fire that broke out in Yemen "is seen across the Middle East and the significance is clear. We will do this in any place where it may be required." These despicable cowards could not expand their aggression, brag about their threats, and be proud of what they describe as "deterrence" had it not been for the presence of agent rulers whose cowardice surpassed any cowardice, and who exceeded all limits in their silence, betrayal, and conspiracy.

The Muslim rulers did not leave for the Ummah a protected border, nor a feared side, nor a red line that would preserve its lives and dignity. Today's aggression, even if it was new against Yemen by the cowardly entity, was preceded by the shedding of blood in Palestine and the violation of the sanctity of Al-Aqsa Mosque, and it was preceded by the aggression against Lebanon, and by violating Syria, which has the "right of reply" without a response! The entity's planes have also previously flown in the skies of Sinai, Tunisia and Sudan, and as for the remaining countries that have not yet been touched by the entity's fire or the hand of its corruption, they are waiting for their turn to be next in its aggression. The subservience, humiliation, and conspiracy of its rulers will not delay it from being affected by the entity's corruption, and evil.

O Muslims, and O Sons of Muslims, Soldiers, Officers, and Armed Forces:

You are an Ummah of Aqeedah (doctrine) and courage, people of equipment and numbers, and your glory in Allah and your Deen is an Aqeedah. For Allah's sake, do you accept that the brothers of apes and pigs abuse you in your Sham (Levant) and beat you in your Yemen?! How can you remain silent of rulers who remained silent about shedding your blood, harming your dignity, and supporting your enemy against you?!

The absence of a deterrent that deters this usurping entity, cuts off the hand of its aggression, uproots its roots, and ends its evil, has made it persist in its tyranny, and show its persecution of all who show resist. Your thunderous rulers are not a shield for you, nor a deterrent for your enemy. They only respond to their crimes with submission and more humiliation and submission. Rather, they are conspirators behind the scenes. Therefore, it has become a necessity to remove them and get rid of them, or even an absolute necessity, and to put a courageous and faithful leadership. A Khalifah (Caliph) who establishes the Deen of Allah, performs jihad for the sake of Allah and does not fear anyone but Allah. May we be rescued from this criminal entity, especially since its harm, evil, and aggression have exceeded Palestine and its people and are now affecting everyone around it. ﴿وَلَيَنْصُرَنَّ اللَّهُ مَن يَنْصُرُهُ إِنَّ اللَّهَ لَقَوِيٌّ عَزِيزٌ﴾ **Allah will certainly help those who stand up for Him. Allah is truly All-Powerful, Almighty.**" [Al-Hajj 22:40]
