

Press Release

The Crimes of the Enemies of Allah, the Jews, Will Only Hasten Allah's Promise Against Them. And ill Not Extinguish the Flame of Steadfastness and Jihad in the People of Palestine

(Translated)

The forces of those upon whom Allah's wrath has descended launched a wide-scale operation in the cities of Jenin, Tulkarm, Tubas, and their refugee camps, resulting in dozens of martyrs and wounded, including the assassination of a group of heroes, for whom we ask Allah's mercy and acceptance. The operation also left widespread destruction of infrastructure, sparing neither people nor stone, to the extent of bombing a mosque and killing those who sought refuge in another mosque.

The increasing intensity of the crimes committed by the Jewish entity exposes the nature of this corrupt and hateful entity and how its malice is directed. It clearly reveals its project and the mindset of its people and their ambitions. Since its establishment to this day, the actions and practices of this entity have followed a single path: to provoke the people of Palestine and drive them from their land by committing all the crimes they can, in order to make the land of Palestine exclusively theirs, as they dream.

The crimes of this entity are not mere reactions, nor are they only aimed at enhancing their security, which has been shaken by a few of Palestine's courageous and faithful youth. Rather, through its crimes, the entity is waging an all-out war against the people of Palestine and, behind them, the entire Muslim Ummah. It seeks to eradicate every trace of Islam and Muslims from this land and sever their ties to it. Its cancerous expansion, settlement activities throughout all of Palestine, and the confinement and siege of its people signify nothing less than its attempt to expel them. The killing, wounding, and imprisonment of tens of thousands, even hundreds of thousands, only indicate its desire to annihilate them.

As for its war on mosques, where hundreds have been demolished in Gaza and Qur'ans burned, and the mosques whose sanctity has been violated by bombings in the West Bank and where those seeking refuge were killed, and its efforts to partition Al-Aqsa Mosque, the first Qibla of Muslims and Masrah of their Prophet (saw), preparing it for "Judaization" by restricting Muslims from praying there, desecrating its courtyards daily, and even threatening to demolish it and turn it into a "synagogue," this is a war against Islam, its Aqeedah, and its Ummah worldwide, not just against the people of Palestine.

The Jewish entity, in committing all these crimes, only confirms that they are exactly as Allah described them in His Noble Book — people of corruption. They have

committed every form of corruption imaginable, destroying trees and stones and killing humans. This also confirms that they are, as Allah described them, a people who do not reason: ﴿قَوْمٌ لَا يَعْقِلُونَ﴾ **“they are a people who do not reason.”** [Al-Hashr:14]. They believe that their crimes will extinguish the flame of jihad and resistance in the people of Palestine, yet they fail to realize that they are spreading its spark, causing it to expand and turn into a fire that, with Allah's permission, will burn them and their colonialist allies, especially America.

It will also burn the oppressors who are allies of the Jews: those who have been a heavy burden and calamity on the people of Palestine, providing security and assistance to their enemies; and the rulers of the Muslim world who have remained silent, or even supported and aided them, encouraging them to continue their killing and displacement in Palestine. These rulers have been accomplices in every sense of the word in the extermination of Palestine and its people, providing cover for the entity. Otherwise, what does their betrayal of the people of Palestine mean, and their participation in the blockade against them, while supplying their enemies with trade and goods, providing them with security and protection, silencing and oppressing their own people, and restricting and immobilizing their armies? And what about their disgraceful mediation, in which they attempt to coerce the people of Palestine into submitting to their enemies?

The light of Allah will not be extinguished by the mouths of the kuffar. No matter how much harm the Jews cause to the Muslims, it is nothing but "annoyance" from which they will be defeated afterward. Allah (swt) says ﴿لَنْ يَضُرُّوكُمْ إِلَّا أَذًى وَإِنْ يُقَاتِلُوكُمْ يُؤَلُّوكُمْ يَأْتُواكُمْ بِخِبْرٍ وَكَيْدٍ﴾ **“They will not harm you except for [some] annoyance. And if they fight you, they will show you their backs; then they will not be aided.”** [Aal-i-Imran:111]. This harm is something that has affected the believers in circumstances that are about to change and be overturned. The Ummah of Khair (goodness) must break its silence with a cry of "Allahu Akbar" The war of these corrupt ones is about to be extinguished, and they are only hastening Allah's promise against them. Allah (swt) says: ﴿كُلَّمَا أَوْقَدُوا نَارًا لِّلْحَرْبِ أَطْفَأَهَا اللَّهُ وَيَسْعَوْنَ فِي الْأَرْضِ فَسَادًا وَاللَّهُ لَا يُحِبُّ الْمُفْسِدِينَ﴾ **“Every time they kindled the fire of war [against you], Allah extinguished it. And they strive throughout the land [causing] corruption, and Allah does not like corrupters”** [Al-Ma'ida:64].
