On the Blessed Eid al-Adha, Palestine Awaits the Takbeers of the Liberation Armies and Trampling of the Fortresses of the Jewish entity

Allahu Akbar, Allahu Akbar, Allahu Akbar, La Ilaha ila Allah...

Allahu Akbar, Allahu Akbar, Wa Lillahi Al Hamd

(Translated)

These Eid Takbeers that reverberate in the shrubberies of the earth and the capitals of the world are indicative of glorifying Allah and His rituals and of the greatness of the religion of Islam and the unity of the Muslim Ummah. They all glorify Allah's rituals, chant Takbeer and Tahleel, and praise Allah for His many blessings and are supplicant for His forgiveness, seeking His Jannah...

The people of Palestine in all their mosques, and especially in Al-Aqsa Mosque are chanting Takbeers while their eyes yearn for seeing the thundering Muslims armies raging and heading towards Palestine to trample the fortresses of the occupation and raise the Takbeers with the thunder of bullets to achieve victory and liberation, with Allah's permission. And that day the believers will rejoice in the victory of Allah.

We in the Media Office of Hizb ut Tahrir in Palestine congratulate the Muslim Ummah in general and the people of Palestine in particular, and extend special congratulations on this Eid to the media and media workers, asking Allah to make them serve the issues of the Ummah. We pray to Allah to return the pilgrims to their homes safely, gainers and their sins are forgiven. And to make us among those who reverberate Takbeers with the armies liberating Palestine and all the occupied Muslims lands.
