A Journalist Joins the Train of Treason and Normalization with the Jewish Entity

(Translated)

The Jewish entity's journalist, Roi Kais hosted journalist Suhair Abdel Rahim, editor-in-chief of Sawt As-Sudan website, in a program broadcast on a Hebrew channel. The journalist, Kais, raised the issue of the "(bus) stop girl" who went out to the public street and asked for marriage. Roi asked journalist Suhair Abdel Rahim about her opinion on the issue, the status of Sudanese women in Sudanese society, and the extent to which they obtained their rights. We in the Women's Section of the Media Office of Hizb ut Tahrir / Wilayah of Sudan want to explain the following:

First: This journalist joined the train of media normalization with the Jewish entity, the usurper of the Blessed Land of Palestine, the Masra (site of Isra) of the Prophet (saw), and the violator of the sanctity of the people of Palestine, their men and women. She rode the train of betrayal with the agents of the kuffar: the politicians, media personnel and others who glamourized the falsehood of normalization, which is nothing but the normalization of the submissive rulers, that the Ummah of Islam dissociated from them, and prays that Allah (swt) will grant it victory and empowerment, so that those who have wronged will know their fate.

Second: The cheap paid hired media normalization would not have happened had it not been for the official normalization in a time when the Ruwaybidha (ignorant) rulers rejected following the method of the Prophet (saw) in dealing with the Jewish state, that desecrates the Noble Masra (site of Isra), kills women, imprisons, robs, and violates the honour of our people in Palestine day and night. All due to the absence of the authority (sultan) Islam, the Khilafah (Caliphate).

Third: The Jewish state is looking for malicious hands to help it reveal and expose the violations that are taking place in our society resulting from the application of the kufr systems on the people. All of this is part of planned work to corrupt the Muslim woman, who is the basis for the structure of society.

O Women of Sudan, the vilest of creatures, the Jews, have chosen to aim their poisoned arrows at us because they realize the importance and danger of our role in the survival and purity of Islam. So, show Allah (swt) the good in you, face the fierce attack campaign of the kaffir West and its supporters, by holding on to Allah's Shariah, which is the way to salvation from this calamity. And raise your voices high to announce that you do not agree that these blaring trumpets mislead the public opinion that they represent the honourable Muslim women.

O Muslims: Those who carry out official and media normalization are trying to complete the schemes of the Jews in making dealing with the Jewish entity a natural matter, which is the deception of the criminals who will be held accountable by the Islamic State; the Khilafah for what they deserve. We are confident of the beautiful promise of Allah (swt) and His saying: ﴿وَقَدْ مَكَرُوا مَكْرَهُمْ وَعِنْدَ اللَّهِ مَكْرُهُمْ وَإِن كَانَ مَكْرُهُمْ لَيُرْوَلُ مِنْهُ الْجِبَالُ * فَلَا تَحْسَبَنَّ اللَّهَ مُخْلَفًا وَعِدَّةَ رَسُولِهِ إِنَّ اللَّهَ عَزِيزٌ ذُو انتِقَامٍ﴾ **“And they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been [sufficient] to do away with the mountains * So never think that Allah will fail in His promise to His messengers. Indeed, Allah is Exalted in Might and Owner of Retribution”** [Ibrahim: 46-47].
