The Khilafah is the One that Directs the Armies to Protect the Honor

(Translated)

The Showtime website published a recording of a citizen, in which he appeals to the citizens of Khartoum state to follow up on the news of their disappeared daughters since the start of the war, and says that the militia began selling kidnapped girls from the capital, but when their efforts failed, they began to demand a ransom for their release. (Showtime website, July 22, 2023).

The news and videos have documented through social media, the horrific images of killing, mutilation, and amputation/gouging of human organs, and even worse, the rape of women, according to international organizations carried out by the Rapid Support Forces, persistently humiliating the dignity of the people of Sudan and disregarding honor, the operation of kidnapping women and their families, offering them for sale, and asking for ransom, as in the above news.

O Muslims: The woman in Islam is a red line, and this is known by the Islamic Ummah, which made it distinct from other Ummahs that insult the dignity of women, and do not care about honor. Islam preserved and honored women, prohibited their exploitation, and preserved their dignity and honor. Rather, it surrounded them with a fortification of Ahkam (rulings) that guaranteed them a life of dignity and honor, shedding blood at any price for their sake.

O Sincere People Among Our Sons in These Armies: The Ummah of Muhammad (saw), has always mobilized armies to defend the honor of Muslim women, throughout the era of the Islamic State, and has never hesitated to support a Muslim woman, in compliance with the command of Allah Almighty, and following the example of the Sunnah of His Prophet (saw) who banished the Jews of Bani Qainuqa from Medina when they exposed the awra' of one Muslim woman, and throughout history, countries such as Amoriyah and India were conquered for the cry of a woman who said, "Wa Islam", Muslim armies moved to support our honor. Take heed from your ancestors, and move to release the families of your vulnerable sisters from among the women of the people of Sudan.

O Muslims: You have always searched for solutions and treatments to the many accumulated crises, which have anguished your souls before and after the war, longing for a better life. And for that, were your oblivious sacrifices, as you used to reproduce the same political milieu every time, and the leaders associated with the colonial countries themselves, so the sacrifices were in vain! The secret in the process of change is the awareness of the great ideology of Islam, and on this miserable reality, in addition to the political awareness, i.e. viewing the world from a special angle, from the perspective of Islam.

The Women's Section of Hizb ut Tahrir / Wilayah of Sudan invites you to work with Hizb ut Tahrir to bring the purity of Islam to power to reestablish the Islamic way of life.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life.” [Al-Anfal 8:24]
