A Stand in the Great Mosque in the Wounded City of Al-Obeid, Urging Muslim Armies to Stand up in Support of the People of Gaza

(Translated)

In the effort of Hizb ut Tahrir/ Wilayah Sudan to support the people of Gaza, the Hizb held a stand at the Grand Mosque in the city of Al-Obeid which is one of the battlefields of war between the army and the Rapid Support Forces, after Friday prayers, December 22, 2023, during which slogans were raised, such as the Almighty's saying: ﴿وَإِنِ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ "if they seek your help against persecution in faith, it is your obligation to help them" [Al-Anfal 8:72], "O Soldiers of Sudan: stop this senseless war and go to fight your enemy, the Jews," and "America sent its missiles and battleships. Do the people of Gaza need water and medicine, or do they need cannons and tanks to destroy the Jewish entity?" ...and others.

Ustaadh Al-Nadhir Muhammad, a member of Hizb ut Tahrir, spoke at the rally about the necessity of supporting the oppressed in Gaza, and about the failure of the rulers of Muslim countries to support the people of Gaza, holding the people of power and the armies responsible for supporting those who are loyal to restore the Khilafah Rasheeda (Rightly-Guided Caliphate) on the Method of the Prophethood, the obligation of our Lord (swt) and the glad tidings of our Messenger (saw).

The interaction was noteworthy; Praise be to Allah the Lord of the Worlds.
