

Press Release

Where Does the Army Commander and Chairman of the Sovereignty Council Want to Take Sudan?!

(Translated)

The Chairman of the Transitional Sovereignty Council and the Commander-in-Chief of the Sudanese Army, Abdel Fattah al-Burhan, stated that the war in Sudan is still in its early stages. Al-Burhan, while offering condolences for the killing of a Sudanese army officer, vowed to pursue the Rapid Support Forces (RSF) and restore the rights of the Sudanese people. He added, "The battle is just beginning, and we will not give the enemy any chance to rest until victory is achieved and all that citizens have lost is regained." (Al Jazeera; Sudanese Press, 22/05/2024)

Have the people of Sudan not suffered enough over more than a year and two months, the duration of this cursed and senseless war, with killings, rapes, looting of money and property, terrorizing the peaceful, and displacing them from their homes? Half of Sudan's population has become either internally displaced, most of them sleeping on the ground under the sky without water, food, or medicine, or refugees in neighboring countries, living in humiliation and disgrace. After all these prolonged months, with people hoping for an end to the war and an end to their suffering with it, the army commander and chairman of the Sovereignty Council disappoints them and plants despair and fear in their hearts by warning that the war is just beginning?!

So rejoice, people of Sudan, in more killings, violations, displacement, destruction, and devastation for the coming years!

Our Prophet (saw) said: «بَشِّرُوا وَلَا تُنْفَرُوا وَيَسِّرُوا وَلَا تَعْسِرُوا» **Give glad tidings and do not repel people; make things easy and do not make them difficult.** However, the leaders of our country do not care about what the beloved Prophet (saw) said, nor do they care about the words of the Almighty Allah. If they had adhered to the Book of Allah and the Sunnah of His Messenger (saw), this war would not have started, and there would have been no room for the intervention of the colonialist infidel (kufr) West, including America and others.

We, in Hizb ut Tahrir / Wilayah Sudan, in response to this threat, say to them: Fear Allah regarding your families and your people, return to your senses, stop this bloodshed, and give support to Hizb ut Tahrir, the pioneer that does not lie to its people, to fulfill the glad tidings of the Prophet (peace be upon him) by establishing the second Khilafah Rashidah (rightly guided Caliphate) on the method of Prophethood. May Allah accept your repentance; indeed, He is At-Tawwab Ar-Raheem (the Acceptor of repentance, the Merciful).

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life.” [Surat Al-Anfal:24]
