## The American Envoy Engages in Deception and Lies, Revealing the War's True Nature as a Struggle with Britain

(Translated)

In an interview with Sudan Tribune in Kampala, Uganda, on Monday, November 4, 2024, the U.S. special envoy to Sudan, Tom Perriello, warned of the flow of weapons and foreign fighters into Sudan. He also spoke about the horrific violations occurring due to the war, stating that documentation and verification are underway to hold those responsible accountable. Perriello emphasized that the influx of arms would have disastrous and costly consequences for the situation in the country.

Perriello stated that the United States is working closely with the Troika and within the context of the United Kingdom's current role on the Security Council. He added, "I do not speak for the UK, but I believe they have been very clear about Sudan being a priority for this new government, and they are eager to push for greater UN leadership."

We in Hizb ut Tahrir / Wilayah Sudan, we have repeatedly emphasized that the conflict in Sudan is a struggle for influence between the United States and Britain. We have highlighted America's role in igniting the war in Sudan and its central role in prolonging it through its agents leading the Rapid Support Forces, along with certain army leaders. This is due to the inability to eliminate Britain's civilian agents within the Forces of Freedom and Change (currently represented by the Coordination of Advancement).

To this day, the United States supervises the war, sets the negotiation forum, and prevents other countries from intervening in Sudan, as U.S. Secretary of State Antony Blinken has repeatedly stated.

As for the talk about arms and warnings against foreign intervention, this is American hypocrisy, deceit, and misinformation. The United States is the most intrusive and dangerous foreign power involved in Sudan's affairs and the most dangerous on its people; it supplies weapons through its agents to inflame the war. Reports indicate that American weapons have reached Al-Fashir, and that the Adré crossing was opened after the Geneva Agreement to act as a lifeline for supplying the Rapid Support Forces with provisions, equipment, and arms under the guise of humanitarian aid. Perriello's remarks about Britain and Sudan being a priority for its new government confirm what we have said about the colonial struggle between the U.S. and Britain over Sudan, and here is Perriello revealing it with cunning.

Let America, its envoys, and its agents know that the people of Sudan are not naive; rather, they are ruled by petty, treacherous leaders who implement the agendas of colonialist kuffar (disbelievers). This is the reason for the lack of security and justice. From Abu Hurairah that the Messenger of Allah (saw) said: «سَيَأْتِي عَلَى النَّاسِ سِنَوَاتٌ خَدَاعَاتٌ يَصَدَّقُ فِيهَا الْكَاذِبُ وَيَكْذَبُ فِيهَا الصَّادِقُ وَيُوْتَمَنُ فِيهَا الْخَائِنُ وَيَخُونُ فِيهَا الْأَمِينُ وَيَنْطِقُ فِيهَا «There will come to the people years of treachery, when the liar will be regarded as honest, and the honest man will be regarded as a liar; the traitor will be regarded as faithful, and the faithful man will be regarded as a traitor; and the Ruwaibidah will decide matters.» It was said: 'Who are the Ruwaibidah?' He said: "Vile and base men who control the affairs of the people." (Narrated by Ibn Majah and Ahmad).

American tyranny and its crimes against Sudan, and against all Muslim lands, will not cease—just as it arms the Jews to destroy Gaza and annihilate its people while speaking of peace and halting war. This oppression will only be stopped by a Khilafah Rashidah (Rightly guided Caliphate) on the method of the Prophethood, led by a just Khalifah (Caliph) who upholds the Deen, implements Sharia, and defends the faithful and oppressed. From Abu Hurairah that the Messenger of Allah (saw) said: «الإمام جنة يقاتل من «A commander (of the Muslims) is a shield for them. They fight behind him and they are protected by (him from tyrants and aggressors).» (Narrated by Bukhari and Muslim).
