

Invitation to Attend Conference

The Muslim world today is undergoing a difficult delivery to give birth to a new dawn through which the Islamic Ummah will be liberated from the clutches of the Kaffir colonizers and liberated from the burdens of capitalism and subordination, so that it returns the leader of nations, spreading goodness and justice in the corners of the globe, and it aspires for the righteous Khilafah on the method of Prophethood. In the meantime America is planning and working to abort the newborn before its birth, and burying it alive before its light shines; it prepares strategies in research centers in order to eliminate Islam and tarnish its image.

Thus, to make the people aware of the American schemes, **Hizb ut Tahrir Wilayah of Sudan** invites you to attend a conference under the title:

The American Strategy to Eliminate Islam: Its Slogans, Tools, and How to Address them

Speakers at the conference include intellectuals and politicians.

Venue: Martyr Al-Zubair Muhammad Saleh International Conferences Centre - Khartoum

Time: Saturday, 10/10/2015 at 2pm.

Your presence reflects your concern of the Ummah's issues.

Ibrahim Othman (Abu Khalil)
Official Spokesman of Hizb ut Tahrir
