

Press Release

I am not a Swindler and the Swindler does not Deceive me!

On Monday 27/06/2016, the electronic media published pictures of the American charge d'affaires and the staff of the American embassy in Sudan whilst they are distributing Iftar to the Sudanese people upon the roads, in a scene reflecting the image of fox in preachers clothing! Based upon this it is necessary to draw attention to the following important matters:

Firstly: America is a state that holds animosity against Islam and the Muslims. It should be that the abhorrent and detestable statements of the leaders in the past and more lately and the studies conducted by their strategic research centres would reveal that and make that very clear. President Obama said in his interview with The Atlantic Magazine on 10/03/2016: "There is no comprehensive solution to Islamic terrorism until Islam reforms itself in line with modernity and conforms with some reforms similar to those that changed Christianity". And the statements of the Republican Nominee Donald Trump which overflow in hatred against Islam and Muslims. Indeed, history has not erased the speech of Bush on 16/09/2001 when he announced that his war against Islam was a crusade. Just as we do not forget the notorious statement made in the sixties of the last century by Eugene Rostow, the head of the planning department and former Under Secretary of State for Political Affairs to President Johnson, when he said: "The objective of the western world in the Middle East is to destroy the Islamic civilisation".

Secondly: It is not hidden from anyone that the actions and conspiracies undertaken by America are against Islam and the followers of Islam. So it was the US that destroyed Iraq and shed the blood of its people with weapons of devastation like those enriched with uranium amongst others, it is the US whose drones continue to kill Muslims in Afghanistan, Pakistan and Yemen and who continues alongside Russia to plot and conspire against the people of Ash-Shaam to bury its blessed revolution. Its filthy role in respect to the separation of the South of Sudan is not hidden from us, nor is the setting of Darfur upon the path of separation and its tireless work to secularise Sudan, to tear it apart via its emissaries, plans and programmes.

Thirdly: America should not believe that it is dealing with the ignorant and foolish so that it can just distribute food or clothing to us with hands that drip with the blood of the Muslims, whilst it fights against our Deen and kills our brothers. No, that will not be so, because we are a great Ummah, we have our Aqeedah that lights up our lives, we have our intellectual treasure, our magnificent culture and we will not be deceived by a deceiver nor will we be tricked by the hypocrisy of the hypocrite. 'Umar Ibn Al-Khattaab (ra) said: "I am not a swindler and the swindler does not deceive me". We have dominated the world, led it at a time when America was isolated from the world, and we are still joining the night to the day (working tirelessly) so that we return to our natural position of leading mankind to goodness. Allah (swt) said: ﴿كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ﴾ "You are the best Ummah to be raised up for mankind" [Aali 'Imraan: 110].

So America should know that its plans are revealed, its conspiracies exposed and that what it is undertaking against Islam and the Muslims has an end to it. That is the day on which Allah will honour us with state of Islam and of the Muslims which will repel the plots of the plotters and expose the conspiracies of the conspirators, and on that day those who oppressed will know to which place they will be turned.
