

Press Release

This is how America discards its agents after they have exhausted all their purposes from them so do they ever draw lessons from that?

(Translated)

On 14/8/2019, the US administration issued a decision to prevent the previous Sudanese head of intelligence services Salah Abdullah (Gosh) from entering its lands, and the United States Secretary Mike Pompeo in a statement that was published on the American foreign affairs website: Surely America has made such a decision because Gosh has been involved in “gross violations against human rights”. On the Sudan Tribune website it stated: “It is striking that the United States Secretary of State Mike Pompeo was the head of the American Central Intelligence Agency during the period that Gosh was appointed as the president of the security and intelligence services during 2018, but that did not intercede for him, especially that the American official has the power to give exceptions if he sees its in the American national interest.”

This is the true reality of America that Hizb ut Tahrir kept warning the Muslims from and from its cunningness. Indeed Gosh has offered huge services for America towards fighting Islam (terrorism), however that has not interceded for him, and has not elevated his importance or worth. On 17/05/2016, the *Washington Times* Newspaper published an article titled: 'State sponsor of terror' Sudan seeks role as U.S. ally in Islamic State fight as (the newspaper ascribed a statement to the Sudanese ambassador in America Maowia Osman Khalid in an interview with him where he claimed that that his country has already passed on vital information to U.S. and allied intelligence agencies. Also officials in the Sudanese intelligence officials have coordinated counterterrorism operations across the continent with French, Italian and American counterparts. In addition, Sudan is considered a close partner to America in combating terrorism across the globe). (Al-Jazeera.net).

Despite all of this, here is America discarding its agents on the roadside, with all humiliation and all effrontery, in the same manner that trash is thrown in a bin, and no one is crying for them, even though they were given power and were enabled in their own countries, and their betrayal to Allah (swt), His Messenger (saw) and their Ummah. And this is not the first time, as Al-Bashir government regime confessed committing crimes to fulfil American interests and how America blackmailed them to do more despite the indignation of the people against the system due to these crimes, however America kept on asking them for more until they collapsed and they replaced them with others.

On 21/11/2018, Foreign Minister Al-Dardeery stated in a dialogue with France 24 that surely his country “helped America in solving the biggest dilemma in the region which is south of Sudan”. The Sudanese foreign minister, Ibrahim Ghandour also said on Thursday 13/04/2017: (Indeed separating the south was a conspiracy that we accepted). Furthermore, in a dialogue on Sputnik website published on Saturday, 25/11/2017, President Al-Bashir said: (The American pressure and conspiracy on Sudan is huge, and Darfur and the South of Sudan issues have found the support and assistance from America, and under their pressure the south of Sudan separated...this division was through force and conspiracy by America and the plan is to destroy Sudan and divide it into 5 countries...).

We in Hizb ut Tahrir / Wilayah Sudan have warned many times from the dangers of following American orders and implementing their dangerous agendas on the people and countries and above all transgressing Allah’s order who said: ﴿إِنَّ الْكَافِرِينَ كَانُوا لَكُمْ عَدُوًّا مُّبِينًا﴾ **“Verily the disbelievers are ever unto you open enemies”**. [An-Nisa: 101]

So will the politicians who are attached to the colonial disbelievers; America, Europe and Russia seek repentance from their loyalty and go back to their senses and put their hands on top of their faithful brother’s hands who work towards the reestablishment of the second Khilafah Rashida (the righteous Caliphate) upon the method of Prophethood that will eradicate the dominance of the disbelievers from the Muslim lands so it liberates the lands and the people from their authority, the Khilafah which is Allah’s promise and a glad tidings from His Messenger (saw).

Allah (swt) said:

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا﴾

“Allah has promised those among you who believe, and do righteous good deeds, that He will certainly grant them succession to (the present rulers) in the earth, as He granted it to those before them, and that He will grant them the authority to practice their religion, that which He has chosen for them (i.e. Islam). And He will surely give them in exchange a safe security after their fear.” [An-Nur: 55]
