

## Congratulations for the Arrival of the Blessed Eid Al-Adha (Translated)

It is our pleasure in Hizb ut Tahrir / Wilayah of Sudan to congratulate the Islamic Ummah across the globe in the east and the west, for the arrival of the blessed Eid al-Adha, we ask Allah, the Most High, the Almighty, to revisit the Ummah with its countries united under the banner of Al-Okab, *La ilaha illa Allah Muhammdan Rasulullah* (There is no god but God and Muhammad is the Messenger of Allah (saw)), under the shade of the second Khilafah Rashida (rightly guided Caliphate) upon the method of the Prophethood, which spreads goodness and justice throughout the world, after the greedy Capitalism has filled it with injustice, oppression, and darkness.

Eid comes this year, and our country, Sudan, is experiencing successive crises, taking people's lives; queues for bread and fuel keep increasing day by day, water and electricity services are going from bad to worse, and the rulers of Sudan, who rant mornings and nights that they are taking care of people's lives, do nothing but harm people's lives. The defective managing director of the International Monetary Fund and its disastrous prescriptions threatens people with more difficulty, a sharp increase in prices, when he warns people of an increase in the fuel prices (lifting the support), and the floating of the Sudanese pound; that has become of no value on the ground, all this and its incubator, which is made up of the parties of the forces of freedom and change, mired in the search for spoils, through regional quotas, that sparked the fire of sedition and tension in every corner of Sudan, so the last of these quotas was in appointing civilian governors, who warn of a disastrous catastrophe, if people did not redress the matter; by referring to Allah's command, and the ruling by His Shariah laws, under the shade of his state, the second Khilafah Rashidah (rightly guided Caliphate) state upon the method of the Prophethood, which views everyone with a view of well-being, regardless of tribe, region, or others. People would then enjoy the justice of the rulings of Islam in this world, and gain the pleasure of the Most Merciful, which is beyond discontent in the Hereafter, this is the only way and there is no other way out, so put your hands in the hands of the members of Hizb ut Tahrir to establish the rightly guided Khilafah like the first rightly guided Khilafah.

**May every year bring goodness to you.**
