Protest Stands Rejecting Normalization with the Jewish Entity Continue In Different Cities of Sudan!

(Translated)

As an extension of the protests organized by Sudan, rejecting the crime of normalization with the usurper Jewish entity, Hizb ut Tahrir / Wilayah Sudan held a number of protest stands in the cities of: Nyala, South Darfur, on 2/11/2020 CE, after Dhuhr prayer in the north of the ancient mosque; Al-Abyad in North Kordofan, in front of the Musala of Siwar Al-Dahab in the City's Grand Market on 1/11/2020; in Port Sudan in the Red Sea State, in front of the Great Mosque after Dhuhr prayer on Saturday 31/10/2020; in the center of the capital Khartoum in front of the southern gate of the Great Mosque on Friday 30/10/2020, and in Omdurman in the Martyrs Market on Saturday 31/10/2020, in which the Shabab of the party raised posters expressing the party's position against the crime of normalization with the usurper Jewish entity, which stated:

- There is no way to liberate the land of Palestine except by establishing the Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood.
- Our interest is in applying Allah's Law and liberating sanctities, not in normalization with the usurpers.
- The civilians and military are chasing after the mirage of America and the Jews, and there is no solution but the Khilafah.
- The Ummah yearns for jihad for the sake of Allah and uprooting the Jewish entity from the land of Israa and Mi'raj.
- The normalization represents the traitorous rulers, not the Islamic Ummah.

The raising of these banners was accompanied by chants from the party's Shabab, with Tahlil and Takbeer, and the spontaneous interaction of the people with these vigils reflected the Ummah's principled position against normalization with the usurpers and murderers of Muslims.

Among the chants that accompanied the stands were: "We sacrifice our soul and our blood for the Messenger of Allah", "There is no god but Allah, Khilafah is the promise of Allah", and "Down, down, all the states, Khilafah is the solution", and others.

It is striking that a woman attended the Khartoum stand in front of the gate of the Great Mosque, and she started chanting with the Shabab of the party, then went to a group of spectators and said to them: "You are not men, if you are, why are you watching, why don't you go and cheer with them?", Also among the interactions of this the great ummah, is that many people joined these vigils, and some even asked the Shabab of the party to give them some banners to raise with them, and a great sheikh came carrying a banner talking about Macron's offense to the Prophet (saw) and he started chanting our slogans.

We will continue, working day and night with ummah and through it, do not get tired or grow weary, until we fulfill the promise of Allah Almighty, and the glad tidings of the Prophet (saw) Al-Sadiq Al-Masdoq (the honest and trustworthy) to establish rightly guided Khilafah on the method of Prophethood, which will be established soon with permission of Allah (swt) who says: وَيَقُولُونَ مَتَىٰ هُوَ ﴿٥١﴾

﴿٥١﴾ وَيَقُولُونَ مَتَىٰ هُوَ ﴿٥١﴾ "And they say, "When is that?" Say, Perhaps it will be soon." [Al-Isra: 51]
