

Press Release

The People of Ash-Sham will not be saved except by a New Mu'tasim who will bring them Victory, and not by Rulers and Negotiators who are like slaves neglecting them and their Deen!

(Translated)

Media focused recently on the preparation and equipping of the ground forces to be sent to Syria, where the Qatari Foreign Minister, Mohamad bin Abdul Rahman II, said on Sunday 14/2/2016 that sending ground forces to Syria under the pretext of the International Coalition to fight ISIS is now deemed as an "urgent necessity". Brigadier Ahmad Osseiri, Chancellor in the Saudi Defense Minister's office, announced in statements to the Saudi channel, Al Arabiyya, last week the readiness of his country to participate in the ground operations against ISIS.

It became known that sending ground forces to Syria under the pretext of the International Coalition is only to execute an American plan, participated by the Muslim rulers whom we became to know throughout the years of the Revolution how they are driven into the Western project to miscarriage the revolution. The treacherous Riyadh Conference, sponsored by the Saudi rulers, is only the closest evidence of making the butcher Bashar a part of the solution and giving legitimacy to the negotiations with his murderous regime, and in specific via the internal factions to participate with it, or at least neutralizing it while it actually plans to eliminate everyone who oppose the American solution under the pretext of fighting terrorism, as it was announced by Kerry himself. This is what it showed and it is shown in the Saudi, Turkey, and Qatar statements about their attention to the revolution, and what followed with the Turkish bombing the Kurdish areas is only a particle of dust in the eyes. As for the military pressure, preceding the negotiations is only to achieve two goals: (1) achieving victories for the regime to boost his position in the negotiations, and (2) divide the areas and putting it under siege, providing an excuse for the people to accept compromises, thus weakening the sincere revolutionaries to accept any solution imposed by America.

O Muslims in the Blessed Land of Ash-Sham: It is known that the rulers in the Muslim lands are only agents carrying on with the orders of the infidel West, headed by America, and this is what has been exposed by the Revolution of the Blessed Ash-Sham by them letting you down in supporting you and their silence on the crimes committed against you, and them going with the American plan bit by bit meticulously. They are the ones to be cautious about and be hostile with rather than cooperating with them, and they are the one to work on removing them first; as the Muslims will never have anything correct with them around. So, do not wait from them a solution that would please Allah (swt) or maintains the blood, dignities, and sacrifices of the Muslims. Nothing with end your suffering except having the factions holding on to the Rope of Allah (swt) and their unity like the people of Nusra on the project of the Khilafah Rashida which will seek vengeance for the blood of the martyrs and the dignity of the Muslims. So, take the hands of your children who are the leaders of the factions and have them cut off all their relationships with the infidel West and their agents, and let them hold on to the strong Rope of Allah (swt). Afterwards, let them go forward to hit the head of the serpent in Damascus, have them establish the ruling of Allah (swt) upon it ruins, and know that there is no hope except via Allah (swt) solely, and there is no victory except from Him (swt), as He (swt) is The Excellent Patron and The Excellent Helper.

Allah (swt) says:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَنصُرُوا اللَّهَ يَنصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ * وَالَّذِينَ كَفَرُوا فَتَعْسًا لَهُمْ وَأَضَلَّ أَعْمَالَهُمْ﴾

“O you who believe! If you help (in the cause of) Allah, He will help you, and make your foothold firm. But those who disbelieve (in the Oneness of Allah Islamic Monotheism), for them is destruction, and (Allah) will make their deeds vain.” [Mohammed: 7-8]
