

Press Release**Subordination Refuses to Depart the Agents**

(Translated)

Istanbul (Reuters) - Activists and the Syrian Observatory for Human Rights revealed on Sunday, 19/6/2016 CE that the Turkish border guards shot dead at least 11 Syrians, most of them are members of one family, as they tried to cross the border into Turkey from northwest Syria.

O Muslims in the land of Ash-Sham: Now the Turkish regime proves to the world once again that it is a partner in killing you and increases your suffering, having finished playing the role of containment, claiming to be standing by the people of Syria. Now it reveals its true face: it opened its military bases to the Kaffir West to be the launching point for military operations, it has built the walls, and closed border crossings in the face of those fleeing the barrels of death and the hell of the brutal bombing, and stood idle in front of the massacres committed against Muslims, and did not lift a finger; and only limited its work to charities while it possesses military arsenal, and began to kill anyone who tries to cross the border, that is drawn by the Kaffir colonizers. This is not the first time that the Turkish regime kills Muslims from the people of Syria; they did it over and over again without fearing Allah (swt) and without being ashamed from the people.

The lies of the Turkish regime and the falsity of its claim are clear to everyone, it is the one that launched the slogan "immigrants (Muhajireen) and supporters (Ansar)," Is this how the Ansar treat the Muhajireen, you liars? The Ansar did not build walls, did not close their borders and did not impose visas on those who immigrated to them, but instead they sheltered, strengthened, and supported and followed the light which was revealed to Muhammad (saw), how can the Turkish regime compare to them? But subordination refuses to depart the agents.

O Muslims in the land of Ash-Sham, the abode of Islam: this murder crime is only justified by the world order that governs the world; that upholds the value of artificial borders drawn by the blood of humans, so do not be sad by the world's failure to support you. It is sufficient that Allah is your supporter, and know that the blessed revolution of Ash-Sham is waging a revolution for the Islamic Ummah as a whole, and will not stop till the promise of Allah is achieved and the glad-tiding (Bushra) of the Messenger (saw) is realized, by the return of the righteous Khilafah (Caliphate) after the oppressive rule, whether people like it or not. And why not, since Allah (swt) is the one who looks after Ash-Sham and its people, and why not, since the Messenger of Allah (saw) said that there is no good in you (Ummah), if the people of Syria are corrupt. And why not, since the "wings" of Ar-Rahman are extended over you, and why not, when there is belief that the Strife will hit Ash-Sham, and why not when the grand war will take place in the land called Ghouta, where a city is called Damascus. The blood of the people of Ash-Sham and their bodies are a fuel that generates the heat in the Ummah of Muhammad (saw) bringing it into the boiling point, and then the enemies of Allah will not be able to stand in the way of its glory, and it (Ummah) will destroy all the obstacles and remove all the borders and implement Allah's law, and returns as it was, the best nation brought to mankind, which is an easy matter for Allah to accomplish.

﴿وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ﴾

"And those who have wronged are going to know to what [kind of] return they will be returned"
