﴿ يَا قَوْمَنَا أَجِيبُوا دَاعِيَ اللَّهِ ﴾

“O Our People, Respond to the Messenger of Allah”

(Translated)

The suffering of the people of Ash-Sham increases day after day under the conspiracy of the world on them; so the massacres became daily and martyrs are turned into numbers and no helper for them but Allah, and certainly He is sufficient helper. The Sham revolution came to expose the lie and hypocrisy of the Western society; and the lie of the rotten democracy which its falsehood and deceit appeared in front of the demands of the people of Ash-Sham to overthrow the regime and apply the rule of Allah on its ruins. So those states exposed their true faces in a devastating war on the people who wanted to free themselves from the oppression of capitalism and to move to the light of Islam. And all this is not surprising in light of the international system that is based on hatred of Islam and Muslims and on the colonization of peoples and sucking their blood, for Allah (swt) said about them: ﴿ وَلَا يَزَالُونَ يُقَاتِلُونَكُمْ حَتَّى يَرُدُّوكُمْ عَنْ دِينِكُمْ إِنِ اسْتَطَاعُوا ﴾ **“And they will continue to fight you until they turn you back from your religion if they are able”** [Al-Baqara: 217] And He (swt) said: ﴿ وَلَنْ تَرْضَىٰ عَنْكَ الْيَهُودُ وَلَا النَّصَارَىٰ حَتَّى تَتَّبِعَ مِلَّتَهُمْ ﴾ **“And never will the Jews or the Christians approve of you until you follow their religion.”** [Al-Baqara: 120]

O Patient Muslims of Syria ash-Shaam:

The problem is not in the conspiracy of the world, for this is their habit. And it is not in the shortage of equipment, machines and men, for victory is not linked to these. But the problem is in the absence of a true resolve to topple the criminal regime by some leaders of the factions; and the loss of their independence of decision which their supporter have robbed from them, thus he controlled their decision and fronts; marked the red lines for them; and engaged them in side battles that exhausted their energy and wasted their efforts. Not only this; but it was a reason for their separation and disputes, resulting in the loss of several regions; distancing away from the main objective, and paying exorbitant cost of our blood and our souls.

O Muslims in the land of Ash-Sham - the Abode of Islam: The identification of the problem leads to the solution; so it is incumbent upon the leaders who are associated with countries that claim to support the Syrian revolution to disengage from these countries in order to regain their decisions and get rid of their shackles; and then to declare their unity around the project of the Khilafah Rashidah that the Messenger of Allah (saw) has given us the glad tidings of its establishment after the forced rule in which we live; by so they break all the red lines imposed by the enemies of Allah, and put all their weight in striking the head of the regime and its area in Damascus and the coast. Only then we can say that the leaders of the factions are moving in the right way, which deserves victory from Allah, otherwise our suffering will not end and the revolution will be lost in the dark tunnel of negotiations. So hasten to take at the hands of the linked leaders of factions to disengage before the ship sinks. The Messenger of Allah (saw) said: «... فإن يتركوهم وما أرادوا...» **“...So, if the people in the upper part left the others do what they had suggested, all the people of the ship would be destroyed, but if they prevented them, both parties would be safe.”** (Al-Bukhari).

﴿ هَذَا بَلَاغٌ لِلنَّاسِ وَلِيُنذِرُوا بِهِ وَلِيَعْلَمُوا أَنَّمَا هُوَ إِلَهٌ وَاحِدٌ وَلِيَذَكَّرَ أُولُو الْأَلْبَابِ ﴾

“This [Qur'an] is notification for the people that they may be warned thereby and that they may know that He is but one God and that those of understanding will be reminded.” [Ibrahim: 52]
