(Translated)

US aircraft flight from Incirlik base in Turkey have carried out, and it is not far-fetched that Russian planes have partaken as well as the Kafir is one denomination. Those evildoers have committed an appalling massacre in the village of al-Jinah near Alotarb countryside west of Aleppo, its victims were dozens of our brothers from the dawah and tableegh, at the time of the Ish'aa prayer at a mosque in the village, to reveal the stance of the falsity of this heinous crime for those who claim friendship of the Sham revolution, and what the falseness of their claims, and the distinction between moderates and extremists.

All the Muslims on the ground of the Sham are legitimate targets for the head of Kufr America and its alliances, tools and agents, in order to eliminate the revolution of the Sham, and maintain the criminal regime.

The pure body parts scattered and the pure blood that was shed shall be the beginning of the awakening of the sincere, in order to realize the reality of the conflict between Islam and its people and the hypocrisy and the Kufr and their people, and that the path of negotiations under the auspices of countries that kill us is a dangerously slippery slope, and the abyss will bring us back as slaves to those who kill us, and rule us by regimes of oppression and Kufr. As for those request the pleasure of America and its allies and the pleasure of its agents and strode according to its plans to achieve a political resolution, and the massacre of al-Jinah and the others did not awaken him from his slumbers, let him know that his fig leaf has been dropped which tried to hide his evilness.

We ask Allah to accept who perished from our brothers in this and other horrible massacres, to accept them as martyrs and to avenge the criminals. We are confident that the relief from the Almighty is near, and His promised victory to those who support His Deen and the vulnerable from His worshippers is absolute completely unwavering and the revenge from the Al-Qaw'iee Al-Aziz is inevitable in this world and the Hereafter.
