The Sochi Summit is a Cover to Achieve the Interests of Participating Countries and the Interests of their Masters at the Expense of the Interests of the People of Ash-Sham

(Translated)

The tripartite Russian-Turkish-Iranian summit, held in Sochi on 12/2/2019, concluded with a series of points. In its concluding statement, the tripartite summit affirmed the commitment of the three countries to the unity of Syrian state land and its rejection of separatist agendas. The heads of the three countries also stressed that the US withdrawal from Syria will serve the stability and security there, and that the three countries will coordinate for the stability and security of northeastern Syria.

O Muslims in Ash-Sham the abode of Islam:

The ominous Sochi agreement follows the same line as the American political solution; it even paves the way for it by calling for the formation of a constitutional committee whose task is to draft a constitution that will define the form of state organs and systems to serve Western interests and contradicts Allah's orders (swt) who ordered that the rule is only for Allah alone. Allah (swt) says: **... إِنَّ الْحُكْمَ إِلَّا لِلَّهِ أَمَرَ أَلَّا تَعْبُدُوا ﴿٤٠﴾** **.... Legislation is not but for Allah. He has commanded that you worship not except Him. That is the correct religion, but most of the people do not know** [Yusuf: 40].

There is no doubt, O Muslims, that these conferences were only held to conspire against the revolution of Ash-Sham and its people, and to gain time until the American political solution's papers are in order which aims to eliminate Ash-Sham's revolution, to waste the sacrifices of its people and to make them go back again under the humiliation and debasement.

The protection of Syrian sovereignty means, in their understanding, the handing over of all areas to the tyrant of Ash-Sham after the demilitarization of its people under the pretext of the fight against "terrorism", which has been emphasized. The sword will remain on our necks no matter how much concessions we make, and will only stop if they bring us back to the fold of the criminal system, or if they put us in the cells of death and oppression that the world turns a blind eye to its horrors.

The Kafir West and its tools of the agent rulers are seeking to achieve their interests at the expense of the interests of the people of Ash-Sham, and at the expense of their blood and sacrifices, and all this is done under the cover of stopping the shedding of blood and the protection of civilians!

There is no doubt that the days and events that are taking place on the land of Ash-Sham have revealed to all the lies of the Turkish regime's claim to its friendship with the Syrian people; its true role is exposed especially after showing its relationship with the butcher's regime of Ash-Sham to the public; it announced low-level contacts! And the most recent security meetings, and not last, is the meeting of security delegations held in Moscow, and what is hidden is far greater.

The leaders of the factions, which have surrendered the capabilities of their factions and the future of their elements to the supporting countries, will not serve the revolution of Ash-Sham; rather, they will be tools to eliminate it, and they will give up these capabilities and surrender them to the criminal regime in order to destroy Ash-Sham's revolution. What happened in al-Ghouta and Daraa is the best evidence. The situation of the leaders of the factions will not be better in the future from that of the leaders of the Palestinian factions, who became guardians of the Jewish entity; they were the ones who raised the slogan of liberating Palestine from the river to the sea and the Aqsa Masjid!

O Muslims in Ash-Sham the Abode of Islam:

The Kafir West is plotting and scheming against us and against our revolution day and night, so do not be fooled by its slogans which claim to carry humanity; rather, it is the head of evil and crime, and its history is full of massacres it committed. Do not be fooled by those who claim to be your friends; they are only tools used to repress us. In the course of the eight years of the revolution, their plotting against us is proven to you, so know that things will not be right until the revolution is back as it began "it is for Allah"; and the mistakes committed are realized and corrected. Let us unite around a clear and specific project that pleases Allah (swt). Let the public support reclaim its role and its authority given by Allah. And let us proceed with insight behind an aware political leadership that we have realized its truthfulness and experienced their stances; it is the leader who does not lie to his people. The revolution will not be correct until the hands of the abusers are cut off and we turn our backs to the international community and turn our faces towards Allah (swt), He is An-Nasir and Al-Mu'een, and He is capable of everything. Allah (swt) says:

﴿أَلَيْسَ اللَّهُ بِكَافٍ عَبْدَهُ وَيُخَوِّفُونَكَ بِالَّذِينَ مِنْ دُونِهِ وَمَنْ يُضِلِّ اللَّهُ فَمَا لَهُ مِنْ هَادٍ﴾

“Is not Allah sufficient for His Servant [Prophet Muhammad]? And [yet], they threaten you with those [they worship] other than Him. And whoever Allah leaves astray - for him there is no guide” [Az-Zumar: 36]
