Following Hizb ut Tahrir / Tanzania ongoing campaign against genocide, barbarism, pain and injustices of the Muslims of Gaza [Gaza] being brutal perpetrated by the occupier Jewish entity with the support of America and other Western nations.

Hizb ut Tahrir / Tanzania conducted pickets after Friday prayer (7 June 2024) at various places denouncing the Jewish entity's brutality and presenting the Islamic solution on it.

Speakers at pickets apart from denouncing that particular Jewish entity murderous campaign to Muslims of Gaza, also reminded and demanded Muslims especial armies of the Muslim world to immediately move forward to save Muslims of Gaza since protection of Muslims' lives is a vital divine obligation as it was stressed by Noble Prophet (Saw) in the month like this (Dhul Hijjah) in his Farewell Pilgrim.

Four pickets were conducted in the city of Dar es Salaam outside of Masjid Lindi and Masjid Idrissa both at Kariakoo, Masjid Kichangani at Magomeni as well as Masjid Dar us Salaam at Kigamboni. Also others were conducted in Mtwara and Mwanza regions.

We pray to Allah (swt) to Hasten His Nusra (victory) to Ghazza and all Muslims in the east and west – Ameen.
