

Press Release

**O Noble Tunisian Army, Do Not Evade Your Duty to Remove the Usurping Jewish Entity
The Heroes of Palestine Shook the Enemy's Entity So Support them and Destroy its Pillars**
(Translated)

On this morning, Saturday, 07/10/2023, one day after the anniversary of the October War, the heroes of the Gaza Strip launched a sudden and simultaneous attack by land, sea, and air, in addition to firing 5,000 rockets and shells within the first 20 minutes, in an operation called Al-Aqsa Flood. During this operation, they invaded settlements in the Gaza Strip, awakening the people of Palestine and all Muslims to scenes that filled their morning with joy, revived pride in their hearts, and reminded them of the pinnacle of the Islamic faith: Jihad in the path of Allah. We ask Allah to make this heroic act the prelude to a lasting and solid victory raising the banner of the Deen and liberating the land of Palestine.

What is happening today in the Blessed Land is a pre-emptive depiction of what awaits this failed entity at the hands of sincere Muslim sons, on a day that may be approaching when the stationed armies mobilize. It is also a clear and undeniable manifestation of the reality of this "unconquerable army," which is not only weak and cowardly but also ineffective intelligence and military-wise, unable to confront armed groups, let alone an organized army. This has brought it to the level of international disgrace.

Within an hour of the attack, the heroes were prowling its streets, roaming its bases, burning its tanks, and dragging its soldiers and their remains like sheep. Its reserves, defenses, and arrogance, which it used to boast about, were nowhere to be found. It even withdrew its warplanes out of fear of being targeted, in a humiliating and shameful manner for it and those who provided it with protection through normalization agreements.

Thus, the heroes of the Blessed Land expressed their stance on the issue of Palestine as individuals and groups. Today's operation is the culmination of a long-standing struggle. The people of Palestine did not submit nor stifle. They extend their call day and night to all of the sons of the Muslim Ummah, at the forefront, the armies stationed in their barracks. Who will have the honor of hailing to this call from the Muslim armies? Who will revive the legacy of Salah ad-Din and cleanse the Blessed Land from the filth of the usurping Jews?

Supporting Gaza and all of Palestine begins with opening the borders and barriers that divide Muslims and hinder their unity, as well as their jihad in the sake of Allah under the banner of "La illaha illa Allah." It also involves lowering the national flags planted by the colonial powers themselves, which sowed the seed of the Jewish entity in the pure body of the Ummah, in preparation for the establishment of the Khilafah Rashidah (rightly guided Caliphate) after these difficult labor pains and for jihad within the Liberation Army.

O Noble Tunisian Army, O People of Strength and Might, O Sincere Leaders:

Gaza calls upon you, Al-Aqsa calls upon you, Al-Quds calls upon you, and every inch of the occupied lands calls upon you. Will you respond to the call? Will you have the honor of joining the battle, directing your weapons and tanks towards the oppressive enemy for its defeat? Here, the heroes of Gaza have lit the spark, waiting to set fire to this monstrous entity. Will you not support them while they seek your support? Have you not read the words of Allah (swt): ﴿وَإِن اسْتَضَرُّوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ **“And if they seek help of you for the religion, then you must help”** [Surat Al-Anfal: 72]?

Hasten to the rescue of your Al-Aqsa and the liberation of Bayt Al-Maqdes. Hasten to uproot the Jewish entity and liberate the Masra (ascension) of our honorable Prophet (saw). Hasten to shatter the Jews' arrogance and put an end to their conceit, for you are the people of strength, power, and dignity, and jihad will continue until the Day of Judgment. Allah Almighty says: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَصْرُوا اللَّهَ يَصْرُكُمُ وَيُثَبِّتْ أَقْدَامَكُمْ﴾ **“O you who have believed, if you support Allah, He will support you and plant firmly your feet.”** [Muhammad:7].
