

## Press Release

### **A Message to the Pakistani Embassy in Tunisia**

(Translated)

Hizb ut Tahrir / Wilayah Tunisia sent a delegation to the Pakistani Embassy in Tunis on Thursday, 7/4/2016, to deliver a letter demanding their country to release Naveed Butt, the official spokesman of Hizb ut Tahrir in Pakistan, who was abducted on 11/5/2012 by the security agencies in Pakistan and is still kidnapped after nearly four years.

The delegation was led by the head of the Political Office, Br Abdul Raouf Al-Aamiri, and the head of the Central Contacts Committee, Br Fathi Al-Marwani, they were accompanied by Dr. Faisal Dargouth and Br Murad Ash-Shikhawi.

In light of this visit, we call on all Muslims and advocates of justice to keep the pressure on the Pakistani authorities for the release of Naveed Butt, a brother whose biggest committed "crime", according to the authorities, is his strong position to spread the truth, and government accountability for their injustice of people, and cooperation with the Kaffir America in killing and harming Muslims, through intellectual and political discourse, and without the use of force.
