

Concluding Statement

(Translated)

In conclusion to the campaign launched by the Women's Section of Hizb ut Tahrir in the Wilayah of Tunisia under the title: "[I am a Woman and I am against the Regime](#)", the Hizb held a conference reiterating the following:

1. The capitalist system is the cause of everything that the woman is suffering from in terms of calamities and evils in the case where the woman has been afflicted on all levels.

2. The woman in all segments of the society has become aware of her reality and fully realises that the system is the cause of her misery.

3. The Women's Section of Hizb ut Tahrir works with the Ummah to expose the corruption of the regime, its plans and styles that make of the woman a tool. She is exploited in the western projects in the name of freedom, modernity and secularism. The Hizb also presents a rooted and detailed alternative for the Islamic social system that guarantees a dignified life for the woman and her family and happiness in both this Dunya and the Hereafter.

Verily, we in the Women's Section of Hizb ut Tahrir in the Wilayah of Tunisia invite you, our sisters, to work alongside us to establish the political entity based upon the Islamic viewpoint. It is the entity that our Prophet Muhammad (saw) gave us glad tidings of its return; the Khilafah (Caliphate) upon the methodology of the Prophethood. Through it we will be successful with the honour of the life of this world and the bliss of the hereafter. So do not lose the opportunity to attain the reward of this great work and be, my honourable sister, with us against this system.

Allah Ta'Aalaa said:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life” [Al-Anfaal: 24].
