An Invitation to a Picket of Rage in Support for the Aqsa and for All the Occupied Muslim Countries

(Translated)

Hizb ut Tahrir Wilayah of Tunisia invites you to participate in its public pickets on Friday 08/12/2017 after Friday prayer at:

- Tunis the capital in front of Al-Fath Mosque
- Sousse in front of Al-Kabeer Mosque
- Sfax in front of Al- Lakhmi Mosque
- Gabes in front of the Sidi Abi Libaba Mosque
- Kelibia in front of Al-Kabeer Mosque
- Tozeur in front of As-Sarkus Mosque

This is to show our outrage for Al-Quds (Jerusalem) and for all of Palestine, and for every inch of the Muslim countries, and call for their liberation from the domination of the colonizing disbelievers, and to declare that America and Europe are enemies and not friends, and a call to the people of power to rise and liberate the Muslim lands, including Al-Quds and Palestine.

It is in this lies honour, pride and elevation that will only be given to the real men who believe in their Lord and trust in Him (swt) and refuse that the enemy of their countries, their Ummah, and Deen have dominance in their land.
