

Press Release

We Announce the end of our Campaign entitled "Ramadan is the time of Awakening", and we Congratulate Muslims on Eid al-Fitr

(Translated)

Here we are bidding farewell another month of Ramadan, its first part is mercy, its middle part is forgiveness and the last is a protection from fire. We praise Allah (swt), who allowed us to witness Eid al-Fitr, after we spent the month of Ramadan fasting its days, praying throughout its nights and reading the Book of Allah Almighty, while our eyes are tearful to the injustices suffered by Muslims in the Muslim countries. We also gave in charity from what Allah has provided us on those in need. And now we live a great joy on the day of Eid in which Allah honored His faithful worshipers. On this occasion, we congratulate the Muslims in Turkey especially and the rest of the Muslim lands with the sincerest feelings with Eid al-Fitr, asking the Almighty to make it blessed for us and for the Muslim Ummah.

We in Hizb ut Tahrir / Wilayah of Turkey held activities in different regions of Turkey as part of a campaign entitled "Ramadan is the Time of Awakening". We organized public Iftars in Wan, Sirte, Tetuan, Shanli Urfa, Diyarbakir, Batman, Gaziantep, Adi Yaman and Kehraman Marash in eastern Turkey, and hundreds of iftar tables in Adana, Mersin, Hatay, Konya, Qurnan, Antalya, Aydin, Izmir, Bursa, Kogali, Sakaria, Yalova, Ankara and Istanbul. We organized programs on these nights with the participation of representatives of associations, NGOs, opinion makers, 'Ulema' and media.

In the many Iftar tables that we prepared in the alleys, gardens and oases of the mosques, we have joined the Muslims in our tables alongside the blessings of Ramadan. We spoke about the ways of salvation from the conditions that Muslims are facing today, and ways of vigilance and how of revival, and called unto them: "O Muslims, wake up and rise, dispel the dust of death, and return to Islam, and its system, and the rule of the Khilafah Rashidah." We said: "The only way of salvation is to return to Islam, and to establish the ruling of the Khilafah Rashidah's system once again."

We also worked within the framework of the campaign, "Ramadan is the Time of Awakening" to revive what we have overlooked and lost and forgotten through short snippets that we have taken from the writers and opinion makers and representatives of NGOs.

O Muslims! We ask Allah to bring tranquility to our oppressed lands, heal it from its pain, and for Eid to bring to the Muslim Ummah the joys, tranquility and happiness, as Eid was in the past. We ask Allah Almighty to make this Eid the last Eid we witness while being away from the rule of Allah, and make it the beginning of the return of the shade of Khilafah Rashidah (rightly guided Caliphate).

﴿وَيَوْمَئِذٍ يُفْرِحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَن يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

"And on that day will the believers [too, have cause to] rejoice * in Allah's succour: [for] He gives succour to whomever He wills, since He alone is Almighty, a dispenser of grace." [Ar-Rum: 4-5]
